Re: PC-121018 – Generator Maintenance and Repair

The purpose of this modification is to extend the term of Pinal County's Generator Maintenance and Repair contract with:

Gen-Tech
W.W. Williams

This will be the second option period, from May 8, 2015 through May 7, 2016. There are two option periods remaining.

Approximately $35,000.00 has been spent on this service in the past year. It is anticipated that a similar amount will be spent in the coming year of the contract.

The Board is also requested to authorize the Finance Director to approve and sign resulting purchase orders and related administrative documents. All other terms and conditions remained unchanged.

Respectfully submitted,

Elizabeth Zink
