

## Addendum #1 for RFP# 08-14-10 Detention Food Services

April 16, 2009

Pinal County is amending Section IA of the Statement of Work (Meals Served), to include a new subsection (g), as follows:

- (g) The Contractor shall provide a General Population Menu that is suitable for individuals who require no special dietary modifications or restrictions. This menu shall also be suitable for inmates with Type I and Type II diabetes, hypoglycemia, impaired glucose tolerance, or metabolic syndrome and those requiring a 'heart healthy', cardiac diet or a reduced sodium diet. This menu will be served to all inmates unless a restricted or special diet is ordered. The General Population Menu shall offer consistent carbohydrate content and moderate sodium and fat content. This menu shall also follow the Dietary Guidelines established by the United States Department of Agriculture (USDA) and Health and Human Services (HHS), including but limited to:
- i) Providing the specified number of calories while meeting guidelines for vitamin and mineral intake
  - ii) Providing adequate fiber
  - iii) Providing moderate sodium
  - iv) Saturated fats to be  $\leq 10\%$  calories, total fat to 20-35% calories.
  - v) Minimizing or eliminating trans fats
  - vi) Decreased use of added sugars

As a result of the issuance of this addendum, Pinal County has extended the due date for proposals to be submitted from Tuesday April 21, 2009 to Tuesday April 28, 2009 at 2:00pm Arizona time.
