

3M Cloud Library & iOS Devices

The Pinal County Library District offers the 3M Cloud Library to our customers as a resource for eBooks on iOS devices (iPad, iPhone, and iPod Touch). In order to check out any Cloud Library eBook, you will need a PCLD library card in good standing. You can check out up to three titles simultaneously for up to three weeks each and can place holds on up to three titles at a time.

TO PREPARE...

First download the 3M Cloud app for iOS. You can get this free app by going to the App Store and searching for "3M Cloud Library".

First Time Logging In?

1. Select State/County
2. Select Library
3. Enter Your Library Card # & PIN #
4. Read & Accept License Agreement
5. Select Login & Start Browsing

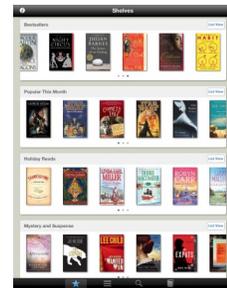

How To Get Free eBooks Onto Your iPhone, iPad or other iOS Devices...

Step One:

Open the 3M Cloud Library app on your device.

Browse and select the book you'd like to checkout. When you have found a book, tap it and then tap the Check Out button.

If you have used the 3M Cloud Library website to check out titles, then simply open the app on your device and the checked out titles will be found under the My Books tab found at the bottom of the screen on iOS devices.

Step Two:

Tap the "My Books" tab to see your checked out titles.

Tap a title to open and read from within the app.

Tapping once in the center area of an open eBook will reveal more options at the top of your screen. Tap the Gear icon to adjust reading preferences such as text size. Tap the *i* button (the italic *i*, next to the Gear icon), to get information about the title or to return a title.

You can also return items by tapping on the red Check-In button at the top of the My Books screen.

HOW TO CHECK-IN A BOOK...

You can check-in a book using the app on your device or by logging into My Account on the library's website. <http://bit.ly/pczlib>

Renewing eBooks is not currently possible.
