

cloudLibrary Computer Apps

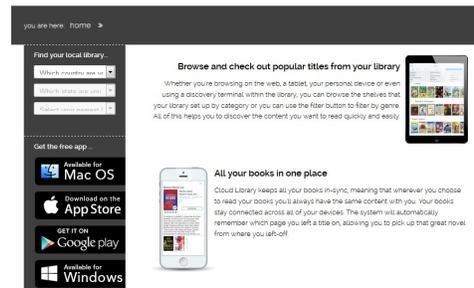

The Pinal County Library District offers the cloudLibrary as a resource for eBooks for Windows and Mac computers. In order to check out any cloudLibrary eBook, you will need a PCLD library card in good standing. You can check out up to three titles simultaneously for up to three weeks each and can place holds on up to three titles at a time. You will need to download the cloudLibrary app to your computer first. Then browse, check out, and read eBook titles all from within the app.

TO PREPARE, DO THESE STEPS ...

The first step is to download the app for Windows or Mac. You can get this free software by going to the cloudLibrary download portal webpage at <http://yourcloudlibrary.com> Once on the cloudLibrary download portal site, select either Windows or Mac from the menu on the left then follow the prompts to download the app.

First Time Logging In?

1. Select State/County
2. Select Library
3. Enter Your Library Card number & PIN
4. Read & Accept License Agreement
5. Select Login & Start Browsing

How To Get Free eBooks Onto Your PC or Mac...

Step One:

Open the cloudLibrary app on your computer.

The first time you open the app you will be prompted to log-in by selecting your state, your library and type in your library barcode number, all 14 digits with no spaces, and PIN number.

Step Two:

Browse and select the book you'd like to checkout. You can click Featured or Categories to browse for titles, or use the Search feature to find specific titles.

When you have found a book, click the cover and then click the Borrow button.

If you want to transfer titles to a Nook or Kobo device then connect your device to your computer with a USB cable after checking out a title. A green "download to device" banner will appear on each checked out title. Click the green banner and the title is transferred to your device. Safely eject your device and look in the Digital Editions folder for the title.

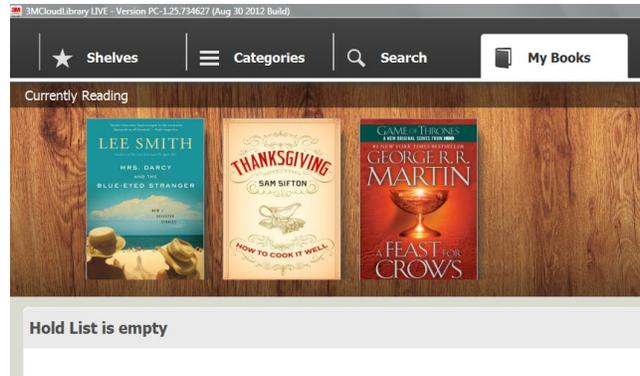

Step Three:

Click the “My Books” tab to see the titles you have checked out.

Click a title to open and read from within the app.

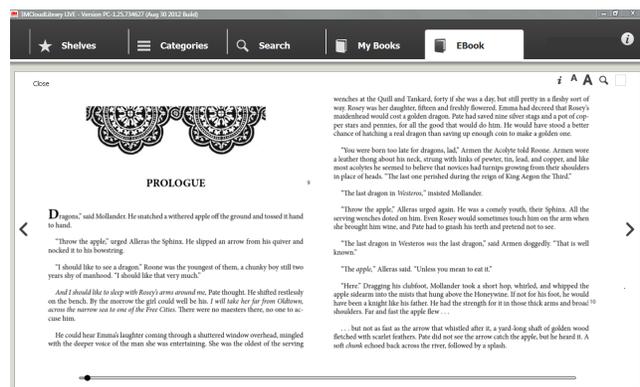

If you have used our [Online Catalog](#) to check out titles, then simply open the app on your computer and your checked out titles will be found under the “My Books” tab.

Step Four:

Click a book cover to open and read from within the My Books tab of the app.

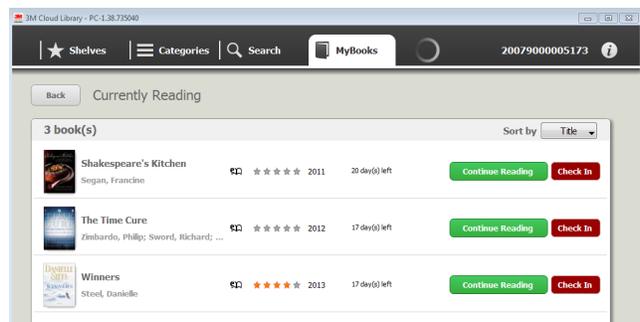

Click the “A” in the upper right corner to adjust your text size. Click the “i” to get information about a title.

Return Titles:

To return an eBook, click on My Books, then click on List View in the upper right hand corner. There you will see your list of books and the red check-in button.

You can also return an eBook by logging into My Account on the library’s website: bit.ly/pcazlib

WHEN A BOOK HAS EXPIRED...

Titles are automatically returned and deleted on the expiration date however we suggest you return your eBook when you are finished instead of waiting for it to expire.

Renewing eBooks is not currently possible.

This project was supported with funds granted by the Arizona State Library, Archives and Public Records Agency under the Library Services and Technology Act, which is administered by the Institute of Museum and Library Services.
