

the written consent of Lender.

**Governing Law.** This agreement will be governed by and interpreted in accordance with federal law and the laws of the State of Arizona except for matters related to: (1) interest and the exportation of interest, which will be governed by and interpreted in accordance with federal law (including, but not limited to, statutes, regulations, interpretations, and opinions) and the laws of the State of Ohio; and (2) the validity and enforcement of Lender's security interest in the Property, which will be governed by the laws of the State where the Property is located. However, if there ever is a question about whether any provision of the agreement is valid or enforceable, the provision that is questioned will be governed by whichever of the governing state or federal laws that would find the provision to be valid and enforceable. The loan transaction which is evidenced by this and other related documents has been approved, made and funded, and all necessary documents have been accepted by Lender in the State of Ohio.

**Joint and Several Liability.** All obligations of Trustor under this Deed of Trust shall be joint and several, and all references to Trustor shall mean each and every Trustor. This means that each Trustor signing below is responsible for all obligations in this Deed of Trust.

**No Waiver by Lender.** Trustor understands Lender will not give up any of Lender's rights under this Deed of Trust unless Lender does so in writing. The fact that Lender delays or omits to exercise any right will not mean that Lender has given up that right. If Lender does agree in writing to give up one of Lender's rights, that does not mean Trustor will not have to comply with the other provisions of this Deed of Trust. Trustor also understands that if Lender does consent to a request, that does not mean that Trustor will not have to get Lender's consent again if the situation happens again. Trustor further understands that just because Lender consents to one or more of Trustor's requests, that does not mean Lender will be required to consent to any of Trustor's future requests. Trustor waives presentment, demand for payment, protest, and notice of dishonor.

**Severability.** If a court finds that any provision of this Deed of Trust is not valid or should not be enforced, that fact by itself will not mean that the rest of this Deed of Trust will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Deed of Trust even if a provision of this Deed of Trust may be found to be invalid or unenforceable.

**Successors and Assigns.** Subject to any limitations stated in this Deed of Trust on transfer of Trustor's interest, this Deed of Trust shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Trustor, Lender, without notice to Trustor, may deal with Trustor's successors with reference to this Deed of Trust and the Indebtedness by way of forbearance or extension without releasing Trustor from the obligations of this Deed of Trust or liability under the Indebtedness.

**Time is of the Essence.** Time is of the essence in the performance of this Deed of Trust.

**Waiver of Homestead Exemption.** Trustor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Arizona as to all Indebtedness secured by this Deed of Trust.
