

at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

21. **Lien Priority.** The full amount secured by this Security Instrument shall have the same priority over any other liens on the Property as if the full amount had been disbursed on the date the initial disbursement was made, regardless of the actual date of any disbursement. The amount secured by this Security Instrument shall include all direct payments by Lender to Borrower and all other loan advances permitted by this Security Instrument for any purpose. This lien priority shall apply notwithstanding any State constitution, law or regulation, except that this lien priority shall not affect the priority of any liens for unpaid State or local governmental unit special assessments or taxes.

22. **Adjustable Rate Feature.** Under the Note, the initial stated interest rate of Six and 108/1000 percent (6.108%) which accrues on the unpaid principal balance ("Initial Interest Rate") is subject to change, as described below. When the interest rate changes, the new adjusted interest rate will be applied to the total outstanding principal balance. Each adjustment to the interest rate will be based upon the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, ("Index") plus a margin. The Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519). If the Index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. The new index will have a historical movement substantially similar to the original index, and the new index and margin will result in an annual percentage rate that is substantially similar to the rate in effect at the time the original index becomes unavailable.

Lender will perform the calculations described below to determine the new adjusted interest rate. The interest rate may change on MARCH 1, 2008, and on the first day of ___ and on that day of each succeeding year, or X the first day of each succeeding month (Change Date) until the loan is repaid in full.

The value of the Index will be determined, using the most recent Index figure available thirty (30) days before the Change Date ("Current Index"). Before each Change Date, the new interest rate will be calculated by adding a margin to the Current Index. The sum of the margin plus the Current Index will be called the "Calculated Interest Rate" for each Change Date. The Calculated Interest Rate will be compared to the interest rate in effect immediately prior to the current Change Date (the "Existing Interest Rate").

- Annually Adjusting Variable Rate Feature** - The interest rate will never increase or decrease by more than two percentage points (2.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate stated in Paragraph 2 of this Note.
- Monthly Adjusting Variable Rate Feature** - The Calculated Interest Rate will never increase above 16.100%.

The Calculated Interest Rate will be adjusted if necessary to comply with the rate limitation(s) described above and will be in effect until the next Change Date. At any change date, if the Calculated Interest Rate equals the Existing Interest Rate, the interest rate will not change.

23. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

24. **Substitute Trustee.** Lender may, for any reason or cause, from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.
