Information and Data Sharing Program

Information and Data Sharing Activity

KR % of financial reports completed on or before the date due

	Q1		Q2		Q3		Q4		FY10 YTD	
FY10 Target	Actual	YE Estimate	Actual	YE Estimate	Actual	YE Estimate	Actual	YE Estimate	Actual	YE Estimate
100.00%	81.82%	100.00%	100.00%	100.00%	100.00%	100.00%	100.00%	100.00%	95.74%	100.00%

All of the financial reports required by the County Treasurer and the state Supreme Court were submitted timely. After reviewing this measurement for the year, it has been determined not to be an effective result measure. While these financial reports are important to our internal court customers, it does not hold the same value to our external court users and county residents. As a result, the court will work to create a new result measurement that is a value to all court users.
