ISSUE STATEMENTS

Issue 1: Population Growth

The large population in the unincorporated Santan Valley area has resulted in:

- Lack of access to library services
- A disparity in service levels throughout the County

Issue 2: Technology Changes/Public Expectations

The continuing changes in technology raises public expectations for knowledgeable staff and virtual services (i.e. Social networking, I.M., Podcasting, RSS Feeds) and will, if not addressed, result in:

- Reduction in patron base
- Lost relevancy to the community
- Reduced ability to provide for the informational, educational, and recreational needs of the community

2-5 YEAR STRATEGIC GOALS:

Strategic Goal 1: Access

All County residents will benefit from greater access to library services as evidenced by:

- By 2014, 30% increase in annual circulation from 1.5 million to 1.95 million.
- By 2014, 25% of Pinal County residents will be active borrowers*

*active borrower is defined as a library card holder who has checked out materials, used online resources or used a public access computer within the last 12 months.

Strategic Goal 2: Current Technology

All patrons will experience a library that uses current technologies and provides access to a wide variety of virtual services as evidenced by:

- By 2014, 50% increase in visits to the library district website and online catalog from 640,000 to 960,000.

ANNUAL PERFORMANCE MEASURES:

Access

- 18% of residents are active borrowers
- 5% increase in circulation

Current Technology

- 5% increase in visits to the library district website and online catalog.
