- Research/Customer Inquiry
- Budget
- Financial Reports
- Debt Service Payments
- Investments
- Application Design/Enhancements
- Application Training Services
- Special Projects

ISSUE STATEMENTS

Technology – The increasing requests for online tax information for the public, special districts, and other County departments will, if not addressed, result in:

- Decreased customer satisfaction
- Decreased timeliness and accuracy of information
- Inefficient use of staff resources
- Inability to maximize revenue collecti

Customer Education - The increasing desire from the public to understand the role of the Treasurer's Office, coupled with the complexity of computations and exceptions of tax bills will, if not addressed, result in:

- A negative public perception
- Decreased staff morale
- Untimely collection of property taxes
- Potential fees/penalties, interest to customers

Resources - Increased budget constraints due to overall economic climate, if not addressed, result in:

- Potential for errors due to increased employee workload
- Decreased ability to respond to customers in a timely manner (less employees)
- Inability to provide services at satellite locations
- Potential loss of revenue
- Decreased employee morale

COUNTY PRIORITY ALIGNED TO:

Accountability and Transparency to the Pinal County Residents. Pinal County will provide public information available on the County website and through other media sources so its residents will know what services they receive from the County and the value they receive in return for the taxes they pay, as evidenced by:

- By 2013, 20% increase in (fillable) electronic forms available online
- By 2013, 10% increase in interactive services (transactions) available online
- By 2013, 5% increase in survey respondents reporting that they know what services the County provides
- By 2013 5% increase in survey respondents indicating they value the services they receive from the County in return for the taxes they pay
- By 2013, the Pinal County Board of Supervisors will approve a budget that ties the level of funding to a level of expected performance for all county offices and departments
- By 2013, Pinal County will process 100% of vendor payments electronically
- By 2012, Pinal County will provide secured online interactive services (such as permits, tax payments, etc)

2-5 YEAR STRATEGIC GOALS:

Pinal County Treasurer's Office customers will have convenient access to information to facilitate daily activity of their respective organizations as evidenced by:

- By 2014, 95% of tax payments received will be deposited within 72 hours of receipt (excluding weekends and holidays).
- By 2013, 10% reduction in printing and mailing costs by producing Tax Information Cards.
- By 2013, 10% of tax paying customers will utilize the Treasurers Corporate Services Online.
- By 2013, 75% of depositing entities will have access to account information via the Treasurers Agency Services Online.
- By 2013, 10% of depositing entities will be received via Desk Top Deposit.
- By 2013, 10% increase in the number of departments and districts utilizing Desk Top Deposit
- By 2014, 100 % of tax lien property transactions closed within 3 business days
- By 2014, 5% of tax bills will be delivered via electronic mail

CROSS CUTTING ISSUES:

Information Technology – Continue to work with the Pinal County IT Department to provide maintenance and support of the Treasurer Receipt and Online Collection System.

Assessor – Establish a method of sharing information stored in the Assessor's Data Waremart that is critical to the functions of the Treasurer to provide an accurate tax bill on an annual basis.

County Attorney – Continue to assist the Pinal County Attorney's office with the Bankruptcy caseload to secure unpaid taxes due to taxing authorities within Pinal County.

County Sheriff – Assist the Pinal County Sheriff's Department to collect unpaid Personal Property Taxes in accordance with ARS §42-19108 and 42-19111.

Finance – Assist the Pinal County Finance Department with implementation of the county's new finance software package to ensure integration with the Treasurer Receipt and Online Collection System.
