

# Pinal County Performance Management

## Annual Report - FY 2014-2015

### MEDICAL EXAMINER

<sup>S</sup>  
SBP 100% of cases in which the initial cause and manner of death determined within three business days

	Q1		Q2		Q3		Q4	FY15 YTD
FY15 Target	Actual	YE Estimate	Actual	YE Estimate	Actual	YE Estimate	Actual	Actual
	OT		OT				OT	OT

External exams were completed in Pinal County, for which cause and manner of death for all routine cases processed in Pinal County were determined within 1-3 business days. Full autopsies were transported to Pima County, and may be subject to longer processing ranging from 3-7 business days. Skeletal remains require Anthropology and Dental consults, rather than examination, and processing may take extended periods of time before an initial cause and manner of death are determined.

<sup>S</sup>  
SBP 95% of autopsy reports completed within 90 days of invocation of Medical Examiner jurisdiction

	Q1		Q2		Q3		Q4	FY15 YTD
FY15 Target	Actual	YE Estimate	Actual	YE Estimate	Actual	YE Estimate	Actual	Actual
	OT		OT				OT	OT

At least 95% of autopsy reports were completed within 90 days of report of death. External exams were completed in Pinal County, while full autopsies were transported to Pima County.
