San Tan Valley Residents,

San Tan Valley is Pinal County's newest community. As such, there is level of confusion relating to the location of the community and the effect of the newly defined area.

Over the coming months, Pinal County will begin to update the addresses of those residents and property within the defined boundary. The 2009 County tax statements will reflect the new community name.

Below is a map of the boundary. Additionally, there is an interactive map and a list of frequently asked questions on the Pinal County website www.pinalcountyaz.gov.

For those agencies requesting additional confirmation or information, please contact the District Two, Pinal County Supervisor's office at 480-982-0659.
