Dear Mr. Voyles,

I am requesting a check payable to CovertTrack Group, Inc. in the amount of $762.65 from PCSO TF RICO (Cost Center 2468).

This purchase is for a damaged GPS tracker replacement and the batteries. Our Task Force team utilizes the GPS tracking device to receive signals from the twenty-four Department of Defense satellites orbiting the earth.

The internal computer accurately determines the location of the device within 2.5 meters and records this data every second and can accurately record data which can be displayed over a street map, satellite images, or in a text report.

Thank you for your support.

Respectfully,

Dear Mr. Voyles,

I am requesting a second check in the amount of $5,000 from PCSO TF RICO funds (Cost Center 2468) for Reach USA. These funds will be targeted for the local United Dance Team programming. This is a private non-profit organization dedicated to helping Pinal County youth enjoy a healthy, safe and drug free environment.

In addition, the United Dance Team has taken a proactive role in providing a safe and healthy environment for Pinal County youth. I have found United Dance Team to clearly provide a tremendous positive impact for our at risk youth. Their efforts clearly helps combat drug abuse and gang violence, by providing healthy alternatives and a safe environment for youth and young families.

United Dance Team affords local youth positive recreational opportunities, resulting in reduction in local juvenile crime (drug use, gang activity, vandalism, theft and graffiti). I am planning a Reach USA United Dance Team series in Pinal County Middle Schools to perform at school assemblies, where the performers can also share their testimony about their struggles as teens as it relates to making right choices to stay clear of drugs, alcohol and criminal activity.

I have attached a letter of request from Adam Cordova, who serves as the Director of Reach USA and United Dance Team.

Thank you for your support.

Respectfully,

Dear Sheriff Paul Babeu,

REACH USA and United Dance Team would like to extend our gratitude to the Sheriff's Office for their generous support and contribution. Our goal is to see students make the right choices that will allow them to achieve their dreams and to reach their greatest potential. Thanks to the Sheriff's Office we are accomplishing our goal and would like to continue to obtain this goal.

I'm requesting an additional $5,000 to support our outreach and to support our planned school assemblies targeting middle school aged kids in Pinal County. This outreach, jointly sponsored by the Sheriff's Office and County Attorney's office will target the most vulnerable youth as they are confronted with making "right choice" to stay away from criminal activity, drugs and alcohol. The United Dance Team will perform and share our testimony to encourage right choices and to work hard towards achieving their dreams.

All contributions will be tax deductible. You can send your monetary donations to: REACH USA, Attn: Adam Cordova; 1101 N. 8th Pl. Coolidge, AZ 85128. Please make all checks payable to REACH USA. For more information, feel free to contact Director Adam Cordova at [redacted]. Thank you for your time.

Sincerely,

Teresa,

Please roll a purchase order for 62 Rapid Deployment Shields (RDS). In meeting with Chief Henry and Deputy Chief Grizzle, we decided to select the 4 panel Ballistic Shield w/window and no light. When ordering over 50 shields, the price drops to $1,985.00 each for a total cost of $123,070.00. These RDS shields will better support our deputies to immediately and more safely respond to potential threats.

We've identified RICO money that is being transferred from the AG's Office to Pinal CA Office for this purchase. Can we roll the purchase order prior to the money arriving? Can we identify JEF initially and then switch the funding source once the transfer is complete, so it doesn't hold up the order?

Home of San Tan Valley Youth Programs

March 8, 2013

Paul Babeu, Sheriff
Pinal County Sheriff's Office
971 Jason Lopez Circle, Building C
Florence, Arizona 85132

Dear Sheriff Babeu:

Whereas:

- San Tan Valley encompasses three independent school districts with 3 high schools, 13 grade schools and 4 charter schools,
- San Tan Valley has no municipal government to fund a parks and recreation department that could provide additional after-school activities for our youth,
- Serious budget cuts have forced all of our schools to curtail significant extra-curricular programs, thereby making it easier for local gangs to subject many of our youth to a negative culture of drugs, sex and violence,

San Tan Valley American Legion Post 97 - Home of San Tan Valley Youth Programs - respectfully requests your use of $16,500 of RICO funds to financially support the following youth leadership programs:

- American Legion Baseball - 2 Teams @ $5,000.00 each 10,000.00
- American Legion Boys State – 10 candidates @ $400.00 each.....4,000.00
- American Legion Law Enforcement Career Academy (ALLECA) – 10 candidates @ $250.00 each.....2,500.00

For more information about these programs, please go to our website at www.stvlegion.com.

San Tan Valley American Legion Post 97 greatly appreciates all the support that the Pinal County Sheriff's Office has given our youth leadership programs over the past three years.

Gratefully yours,

As a reminder, the ALEAD program is designed to teach Arizona youth lessons in leadership, drug and alcohol awareness and community service.

If approved, please make the check payable to the FBINAA Arizona Chapter. Send the check to me at the Sheriffs Office and I will personally deliver the check to the FBINAA.

From Executive Board Member Joe Brugman:

I am writing as a representative of the Arizona Chapter of the FBI National Academy Associates (FBINAA). We are a non-profit (501-C-3, Tax ID # 86-0676008) group of law enforcement officials in Arizona who are graduates of the FBI National Academy in Quantico Virginia. The FBINAA is a nationwide group of alumni organized in individual chapters for the purposes of professional development and service to our communities. The Arizona Chapter is a dedicated group of Arizona law enforcement officials committed to the professional enrichment of local law enforcement leaders throughout the state. Critical to this commitment is the development of future leaders in our communities.

Several years ago, the FBI National Academy Associates of Arizona recognized the need for an Arizona based youth leadership program. From that thought and financial support from the Chapter came the Arizona Leadership Education and Development (ALEAD) Academy for Arizona youth, which for the past four years has provided leadership training to well over 100 students from all over the state including: Apache Junction, Buckeye, Casa Grande, Chandler, Chino Valley, Clarkdale, Coolidge, Cottonwood, Duncan, Flagstaff, Gilbert, Glendale, Goodyear, Grand Canyon, Hereford, Kingman, Lakeside, Lake Havasu, Litchfield Park, Mesa, Nogales, Oro Valley, Payson, Peoria, Phoenix, Queen Creek, Scottsdale, Sedona, Surprise, Tucson, Winslow, and Yuma.

ALEAD has been a resounding success! The program has received exceptional praise from the participants, parents, and community leaders. In order to maintain the program we are requesting financial assistance from the Arizona Law Enforcement Community.

The ALEAD Academy is a one week long residential program held on the main campus of Northern Arizona University in Flagstaff at no charge to the students. The program is designed to be an intensive leadership development course for students who are current sophomores or juniors in high school, age 15, 16, or 17 years old.

The mission of the ALEAD Academy is to provide a well rounded foundation of education for future leaders of Arizona. Through a variety of classes, interaction, community service projects, and guest speakers, students are introduced to fundamental leadership principles to enable them to become effective teenage leaders and eventual adult leaders in their communities.

The program objectives include: Provide a broad base of exposure to successful leadership principles and skills necessary for success
Develop an appreciation for diversity Provide highlights of various careers available in government and public service Develop basic skills necessary to apply for a job Through class work and participation, provide an understanding of the value of community service Provide education to avoid common pitfalls of developing youth in regard to alcohol, illicit drugs, and controlled substances Provide exposure to various cultural and environmental issues of importance Teach the importance of and how to develop lifelong fitness habits

All academy activities are supervised by personnel from the FBI National Academy Associates (Arizona law enforcement officers) who volunteer their time to the program. The annual cost to provide this program to our Arizona youth exceeds $20,000 for each session. The Arizona Chapter of the FBI National Academy Associates respectfully requests any assistance possible in order to help maintain this important and valuable program for our future leaders.

In researching the Department of Justice Guide to Equitable Sharing for State and Local Law Enforcement Agencies, Section VIII A.1m, of the guidelines supports using Asset Forfeiture funds to help fund non-profit community based programs such as the ALEAD Academy.

During the month of February 2013 would you please consider supporting this valuable statewide program with asset forfeiture funds from your agency? All donated funds will be used exclusively for the ALEAD Academy and not mixed with chapter funds. With your help we will continue to provide this opportunity to youth from all over the state. Applications for the 2013 Academy will be available online soon.

Honorable Voyles,

I am requesting a check in the amount of $10,000.00 payable to Poston Butte High School for their Senior Grad Night Lock-In, utilizing PCSO State RICO 2469.

This will encourage graduating students to attend a night free from drugs and alcohol. As you know across the country, thousands of students are killed or injured on their graduation night due to alcohol or drug related incidents. Poston Butte will provide graduates an alternative to eliminate the risk to the graduating students.

Dear Sheriff Babeu:

I am writing to request financial support from the Pinal County Sheriff's Office for our Senior Grad Night Lock-In event to be held at Amazing Jake's in Mesa Arizona on the evening of May 30, 2013. The goal of this event is to give students a fun and safe place to enjoy their graduation night free from drugs and alcohol. A donation of any amount would help cover our expenses and allow us to put on our event.

Across the country, thousands of students are killed or injured on their graduation night due to alcohol or drug related incidents. Our goal at Poston Butte High School is to provide an alternative to the drinking and drug parties many graduates attend and allow us to eliminate the risk to our students. Of our graduating class of 327 students, our goal is to have 200 students volunteer to stay at Amazing Jake's overnight. The school will cover the fee for students which will include a two hour buffet and entertainment for all those who choose to stay until 6:00 am the next morning. All activities will be supervised by teachers, administrators, parent volunteers, and various law enforcement officers. Students present will have a safe environment, free from the risks of drugs, alcohol, and traffic related injuries or fatalities.

We request $10,000 to cover the cost of the event listed above, as this is a non-profit event. If you have any questions you may contact Lawrence Goff directly via e-mail at lgoff@fusdaz.org.

Thank you for your time and consideration. We are grateful for the support the Sheriff's Office has given Florence Unified School District over the years.

Sincerely,

RE: Rico Funds Request

Dear Sheriff Babeu:

Our organization would like to request RICO funds in the amount of $5,000 to provide 11 of our members, survivors of violent crime, to attend our National Conference in August in Cincinnati, Ohio. POMC conferences provide education and training as well as support and advocacy for crime victims whose lives are devastated and shattered by their loss.

One of the many things we educate our members about is Substance Abuse and Grief, which often they have a tendency to do in order to numb the horrific emotional pain that is the aftermath of losing a child or loved one to murder. While workshops and handouts provide education on this issue as well as on traumatic grief and navigating the confusing maze of the criminal justice system, our conference also provides a recertification training which four of our board members need to keep current each year in order to continue our duties with this chapter providing support, advocacy, education, prevention and awareness programs and services to more than 1500 families locally.

Our Chapter provides services to crime victims all over Arizona including Pinal County. We are a non-profit organization with 501 (c) 3 status. In the past we have used our funds to send our members to the conferences but with the past few years of the bad economic times coupled with the harsh reality of what POMC is all about, our funding has decreased considerably.

Thank you for considering our request.

Sincerely yours,

Honorable Voyles,

I am requesting a check in the amount of $5,000.00 payable to San Tan Valley Little League, utilizing PCSO State RICO 2469.

Providing these funds is an important factor in the growth and developmental process of our children. With this donation nearly 500 youth in San Tan Valley will benefit in having the needed equipment.

Team coaches are very passionate about keeping our Pinal County youth active and busy which also promotes healthy and drug-free lifestyles.

Team sponsorship helps to boost team spirits and makes the children aware of the generosity of others, not to mention the memories that will be created that will last a lifetime. Coaches are dedicated to firmly implant in these students; good sportsmanship, honest, loyalty, courage and respect for authority, so they may be well developed, stronger and happier children who will grow to be good, decent, healthy and trustworthy citizens.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Mr Paul Babeu,

Hello, my name is [redacted] President of San Tan Valley Little League (STVLL). We are preparing to start another Spring baseball season. We again anticipate to provide the baseball experience to nearly 500 youth within San Tan Valley. Given the tough economic times most are experiencing, both here and nationwide, we are reaching out to local businesses in the area for sponsorship. The reasoning behind this is two-fold.

First, since our area is a relatively new and growing community we would like to bring a community feel to the league. Families may be made aware of a company, or companies, they may have not known about in the past. This was experienced last year when we did a fund raising event with a local restaurant. The event helped this business, as well as the league. During the event most people were stating, "I didn't realize you were here, but we'll definitely be back."

Second is due to the fact that STVLL spends thousands of dollars to ensure the children receive the best and safest experience possible. Thousands of dollars in insurance coverage is paid out annually, along with field and restroom usage fees for the location we play at. In addition to this, we provide and pay for; replacement equipment, uniforms, team pictures and qualified umpires. Our registration fees cover only a small portion of the money necessary to operate the league. Plus, we will not turn away a child who wishes to play. If a child's family is in financial hardship we will scholarship that player, or players, either partially, or in full, for the registration fee(s). Last year we scholarshiped approximately 10-15% of the players within the league, and unfortunately we anticipate the same or an even slightly larger percentage this year.

In order for us to continue providing children with a quality baseball program such as ours, and make it affordable, we are asking for your financial assistance. We are requesting a $5,000.00 donation. We are in need of sponsors who are willing to donate to assist with the league's expenses and fulfill the mission of the league:

To implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority, so that they may be well adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens.

Sincerely,

[redacted]

Honorable Voyles,

I am requesting a check in the amount of $5,000.00 payable to Operation Graduation TIN #86-6000557, for Casa Grand Union High School and Vista Grande High School, utilizing PCSO State RICO 2469.

The graduation event night will be safe, chemical free and chaperoned for approximately 300 students.

As you know, this can be and has been a potentially dangerous night for high school graduates. In fact, just three years ago there was fatal car wreck that my deputies responded to on graduation night, where one of the students was killed. It was determined that impaired driving was a contributing factor in the fatal wreck. Our goal is to make this a very safe and memorable evening for our graduates.

The activities provided at Operation Graduation afford local youth positive recreational opportunities, resulting in reduction in local juvenile crime, drug use and impaired driving, which historically accompanies High School graduation night.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Dear Sponsor:

Plans are underway for the **2013 Operation Graduation Celebration.** This is a fun-filled graduation party for seniors. This year Casa Grande Union High School and Vista Grande High School will each have a graduating class of approximately 300 students. To assure that the graduates from each school enjoy their respective Graduation nights *in safety*, we plan to sponsor two Graduation parties. The funds raised will be *equally* divided between the schools. We are seeking sponsorships for **Operation Graduation, not to be confused with any Senior Class Trips and or fundraisers.** Graduation dates are as follows:

Casa Grande Union High School		Vista Grande High School
Tuesday, May 21, 2013		Thursday, May 23, 2013

Operation Graduation is an event that is safe, chemical free and chaperoned by caring businesses, parents and volunteers. **Operation Graduation** depends on *your support* to take place. Funding for last year's celebration of this quality and size reached $10,000.00 for one school. This year our goal is to raise $15,000 which will be divided to fund the celebration for each school. We need your support. Your sponsorship is *vital* for our success.

Our goal is to assure that each senior from each school who attends the event receives a goodie-bag along with one $20 gift card to one of our local businesses. There will be plenty of food, fun and a movie for the graduates to enjoy throughout the night. In addition, each year we *give back* to the local business owners by purchasing a total of $3,000 worth of gift cards for each school, for a total of $6,000. These cards are given out to the graduates from each school on their night of Operation Graduation.

If you would like to volunteer your time we would appreciate your help.

Dear Sheriff Babeu-

The Copper Basin Family YMCA is launching our 2013 Strong Kids & Families Campaign and we would like to thank you again for your support in past years. This is our annual fundraising campaign directed towards supporting much-needed programs in the San Tan Valley community. I am hoping that you can help us reach our goal of raising **$60,000.**

There are three areas that, with your support, will make a tremendous difference in our young people's lives:

- **Financial Assistance –** No one is turned away from the YMCA for the inability to pay fees. Your generous donation allows thousands of youth, teens, families and adults to participate as members in YMCA programs such as childcare, day camp, youth sports, aquatics, water safety classes and health and fitness programs.

- **Youth & Teens –** An essential resource for teens, providing many healthy, positive activities and programs including sports and recreation.
  Some of our teen programs include Middle School Madness, Youth & Government and Summer Movin' On programs. Our programs provide quality, safe, and enriching activities as well as cultivate leadership development skills, mentoring opportunities and community service.

- **Swimming and Splash Week –** Water Safety is a major concern for all of us. Through our swimming programs, we teach children how to swim, and offer life-saving lessons to kids and their parents. Prepare to SWIM (Secure, Watch, Instruct, and Monitor) is one of our safety instruction classes, which includes a mandatory 3-hour CPR Class. As part of our commitment to water safety, we also provide a week of water safety for the community.

I am hoping that once again you will consider supporting one or all of these programs with a ***$10,000 donation*** to the Copper Basin YMCA. We will recognize the Sheriff's Office in the Y facility and throughout annual promotional materials. Thank you for your consideration of this request. November 21, 2012

Dear Paul,

This holiday season we would like you to consider a donation in honor of SNAP's unsung heroes.

Thanks to your partnership during 2012 SNAP took some extraordinary steps forward in our mission to keep children safe. This is the year that scandals at Penn State and in the Boy Scouts of America erupted to a stunned world. Despite a coordinated legal attack by Catholic Church officials in Kansas City, SNAP remained an essential spearhead in the fight to end institutional abuse and the cover-ups which protect and embolden the molesters. SNAP empowered victims to take back their lives, prodded decision-makers to disclose information on child molesters, armed employers, parents and communities with awareness of dangerous predators and brought survivors together as a part of a burgeoning network of more than 12,000 members with support groups meeting in over 65 cities.

The unsung heroes of SNAP are the heart and soul of everything we have accomplished over the past 24 years. The leaders and volunteers who form the front line of comfort for the wounded and defense against abuse are the backbone of this organization and **your dollars help us to increase their numbers.** The training and education we provide helps our leaders effectively reach out to and help victims.

Our leaders answer the national helpline and respond to emails from survivors within hours. They are often the very first person a terrified victim speaks to about their experiences. They know when to talk and when to listen and how to help to break a terrible cycle of self-guilt, hopelessness or rage with voices that are impassioned, comforting and positive.

"I became a leader after I contacted SNAP to find out how to bring a chapter to Louisville. Survivors meet at my home most of the time, and I love hosting the meetings. Being a SNAP leader has taught me some important lessons, and has put me in touch with many incredible, brave, selfless people. Working with SNAP has helped me to continue my own personal healing, and has greatly increased my self-esteem and confidence. I have definitely made the leap from victim to survivor to advocate. And the journey continues! In my own small way, I want to continue to help others heal."

- Colleen Powell, SNAP leader, Louisville, KY

"When I felt the most lost and alone, other survivors gave me hope. I wanted to be there for people like them. I am available 24/7 for calls from survivors, I organize media events to bring attention to cover ups and conduct monthly SNAP support meetings, and lobby for legislative change in Connecticut & New York. SNAP is one of the leading national organizations dedicated to protecting children. One of the most common statements I have heard from survivors is "I am speaking out because if it saves one child from going through what I did it will be worth it."

- Beth McCabe, SNAP leader, Canton, CT

Dear Sheriff Babeu:

My name is Edie Crall, President of Safe Journey House, which is the only advocacy center for victims of domestic abuse in Eastern Pinal County.

We opened our doors on September 1, 2011. Since that time we have advocated for more than 120 clients. Our geographic area is primarily the Copper Corridor from Catalina to San Carlos.

The purpose of this letter is to request RICO funds for the on-going needs of Safe Journey House advocacy. Many of our clients are not only victims of domestic abuse, but have also been involved in drug and alcohol abuse. For those victims, in addition to assisting them with their domestic concerns, we have been instrumental in placing several with drug rehabilitation programs in hopes of getting them clean and sober and more readily able to handle their domestic abuse concerns.

The advocates at Safe Journey House have undergone 40 hours of training and are equipped to assist victims in several ways. If there is imminent danger, the advocate looks for a safe location, be it in a shelter setting, or with friends and/or relatives. Additionally, many abuse victims are unaware of the legal and judicial assistance available to them. In those circumstances, the advocates help with, for example, orders of protection, living expenses, and legal services, to name a few. Finally, many clients are unwilling or unable to leave their situations. In those instances, the advocate helps clients learn to live safely while still living with their abuser.

Our work at Safe Journey House is not done and we are hopeful that your office will continue to support our efforts both programmatically and financially with RICO funds. We thank you in advance for your continued support.

Sincerely,

San Tan United Sports Academy is a 501(c) (3) organization based in San Tan Valley, AZ. Our main goal is to offer boys & girls ages 3 and up in San Tan Valley a high quality, low cost soccer and flag football programs. We are built by a volunteer staff of directors, coaches and referees and are sustained by many great local athletes and their families.

Our league only charges each athlete $40 to play in our youth soccer or flag football league. This is significantly lower than comparable youth leagues. In fact, it's less than a half of the cost compared to other leagues fees.

We are reaching out to you to ask you if you would donate $2,500.00 towards San Tan United Sports Academy Winter Soccer League. Winter Soccer Season begins on January 12th 2013. $40 athlete fee doesn't cover all of our costs. However, we don't want to charge more money and make the league inaccessible to athletes for financial reasons.

If you are able to donate this amount, I would be very appreciative and forever grateful. No donation is too small or too large.

We appreciate your time and consideration. It really means a lot to our committee and most importantly, our 500+ members.

Thank you very much for your help.
If you have any questions or would like more information, please feel free to contact me. My email address is [redacted]

Honorable Voyles,

I am requesting a check in the amount of $2,500.00 payable to Mission Heights Phantom Football, utilizing PCSO State RICO 2469.

Mission Heights Phantom Football students who participate in extracurricular activities are more likely to perform better academically, and are less likely to engage in behavior requiring disciplinary action.

Their goal is the same as ours; to produce educated, well-rounded students to become law abiding citizens.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Thank you for your support.

January 7, 2013

Sheriff Paul Babeau,

I am writing to you on behalf of the Mission Heights Phantom Football team. Unlike most high schools, Mission Heights does not provide any type of budget for its athletic programs, but rather 'loan' the teams money that is to be repaid by the programs. During these difficult economic times, it has become a hardship on many businesses to contribute donations as they once did. As a concerned parent and citizen, I felt that our requests for donations would be best redirected toward entities who are directly affected by our football program's benefits; like the Pinal County Sheriff's department.

As you know, students who participate in extracurricular activities are more likely to perform better academically, and are less likely to engage in behavior requiring disciplinary action. I'm sure you agree, our goal is to produce educated, well-rounded young people who will become productive, law abiding citizens. Mission Heights Preparatory High school's football team is already serving to redirect students in this way.

Allow me to provide you with a few examples:

- MHP requires a 3.0 GPA and no grades below 70% in order for students to participate in sports. Football has weekly grade checks to maintain this high academic level.
- As a school that receives many students from other high schools as 'last resort' due to disciplinary issues, athletic programs are essential to providing alternative activities.
- MHP football strives to provide guidance, team building skill, responsibility for self/teammates/community, respect for self and others.
- This program currently has two players who are on probation; one who wears an ankle bracelet. It has been stated by one of the players that membership on the team and adhering to the schedule / requirements set forth, is what serves to assist him in refraining from involvement with unsavory activity.

Your consideration in providing a donation to Mission Heights Phantom Football would be greatly appreciated.

Respectfully,
MHP mom,

Dear Sheriff Paul:

Teen Challenge has worked in Arizona for the past 47 years helping people become free from their drug and alcohol addictions. Graduates leave our residential recovery centers clean and healthy in body, mind and spirit. Teen Challenge Home of Hope, in Casa Grande, works with women and women with children.

Teen Challenge of Arizona's Home of Hope is a faith based residential recovery program helping women 18 and older who have life controlling drug and alcohol addictions. We disciple and care for women, and their children, to help them to overcome their addictions, restore appropriate family relationships, obtain and retain employment and become productive members of the community. This year Home of Hope celebrates their 10th anniversary of helping women and children from all over the United States. Since we opened our doors in 2003 we have helped 614 women and children in their time of desperate need. We are proud to be a part of the Casa Grande community.

Teen Challenge Home of Hope has only 16 employees but we are able to help so many women and children because of the many dedicated volunteers. Most women who come into our program do not have the funds to afford the assistance. We do not turn away someone in need just because they do not have money. We raise the money through fundraisers, like our banquet; through microenterprise such as our Home of Hope Christian Childcare and our Hopefully Yours Boutique, where the ladies learn employment skills; and through foundation and individual donations.

Because Teen Challenge Home of Hope's primary goal is to help people become free from their drug addictions. Money from the RICO account would be an appropriate and justified use of this fund. We are requesting $10,000 to help women and their children in our recovery program.

Sheriff Paul, we appreciate your interest and support in the work we do to help women rebuild their lives. We are very grateful for any monetary assistance designated to serving these beautiful women and their children; an opportunity to effect generations.

Gratefully,

[redacted]

Rev. Diane Swanson, RN, BSN

Sheriff Paul Babeu

Florence, AZ 85132

Sheriff Babeu,

I hope this letter finds you well and you are enjoying the New Year. I understand that you are overwhelmed with work and I do hope that you are able to respond to this letter at your earliest convenience.

I am the current President of the Maricopa American Legion Auxiliary Unit 133 and the Past Commander (2011-12) of the American Legion Post 133. The Unit has been a chartered organization for a little over two years now. Below please find our Organization's Mission Statement:

Mission Statement

In the spirit of service, not self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security.

As you can see, our mission is lofty and I must disclose that we are a group of only 10 members and of those, only 5 "active members". The American Legion Auxiliary organization is made up of female veterans, the wives, daughters and granddaughters of American Legion eligible veterans. As I mentioned, I am the current President, the spouse of a veteran and an active member of the American Legion Post 133. Last year we had the opportunity to support returning veterans through the City's Operation Welcome Home and provided a dinner for these veterans and their families. During the holidays our Unit (along with a Maricopa girl scout troop) had the opportunity to visit the VA Medical Center in Phoenix and present patients with blankets that we made with our troop.

The Auxiliary President's set their goals and agendas for every given year. My current goal is to provide as much support as possible for our Post but unfortunately many times we lack the necessary funds to fully assist the veterans and their families with their given needs. Aligned

with our mission, we would like to continue to enhance the lives of our veterans, active military and more importantly their families here in Maricopa. Last year your office was gracious enough to provide the Legion with funding to start up an American Legion Baseball team. You will be happy to know that we sponsored two teams last year and we hope to do the same again this year. Unfortunately the insurance fees for one team to participate come with a cost of $1,200 per team. The Legion is determined to sponsor these teams another year and have requested financial assistance once more and our goal is to seek feeds to assist them in meeting their goals. Our Maricopa Girl Scouts would also like to participate in events throughout the community but unfortunately we have not had the funds to sponsor their activities.

We greatly appreciate your financial assistance with the funds available through the RICO (Racketeer Influenced and Corrupt Organizations) Act. We are humbly requesting your assistance to help us reach our goals this year. The cost of sending one young Maricopa lady to camp this summer is approximately $300 and we would appreciate any funding available. Any and all assistance would be greatly appreciated.

We thank you for your time and consideration and look forward to hearing from you in the near future.

Respectfully,

[redacted]

Julia R. Gusse, Unit 133 President
Maricopa American Legion Auxiliary

Honorable Voyles,

I am requesting a check in the amount of $5,000.00 payable to The Coolidge Youth Coalition, utilizing State PCSO TF RICO 2468.

Supporting their 11th annual "Safe & Sober" graduation night lock-in provides a safe, alcohol and drug-free environment for high school seniors. The Coolidge Youth Council and Students Against Destructive Decisions, promote healthy and drug free lifestyles for their community through public service, PSA's, fund raising and interacting with Coolidge City Council on issues facing youth in Pinal County.

They understand, as we do, that the potential for our youth to engage in risky behaviors and attend non-chaperoned parties can place them, and others, in harm's way.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Thank you for your support.

Sincerely,

Dear Sheriff Paul Babeu,

The Coolidge Youth Coalition (CYC) in cooperation with the CYC SADD Club, & Coolidge Unified School District is sponsoring our 11th Annual "Safe & Sober" Grad-Nite Lock-in Event for the Coolidge High School Senior class of 2014. The main focus of the event is to provide a safe, alcohol, and drug-free environment for our high school graduating Seniors. There will be no cost to the Seniors who attend. We will host and transport graduating students to the Flip Side Bowling Center in Gilbert, AZ on May 22rd from 11:30pm - 5:30am. We understand the potential for our youth to engage in risk behaviors and attend parties that may put them in harm's way on graduation night. Knowing this, our hope is to provide an evening of fun activities that will not only keep them safe but will also help them have a memorable graduation celebration as well.

We would like to ask the Pinal County Sheriff's Office for a $5,000 donation. We appreciate your support of this very worthwhile project. The Pinal County Sheriff's Office will be recognized on all promotional materials, received by the CYC members, community leaders and attendees for the next year. All contributions will be tax deductible. You can send your monetary donations to: The Coolidge Youth Coalition; Attn: [redacted] PO Box 325 Coolidge, AZ 85128. Dear Sheriff Babeu.

Thank you for your years of service as sheriff of Pinal County. I am sure you are aware of the importance of developing character in the youth of the community. We here at Mammoth Christian Youth Center offer substance abuse programs, abstinence programs, as well as character building classes to the youth. We also provide activities such as fun trips to Magic Mountain California, summer and winter camps in Prescott, music concerts and youth retreats. All youth who attend these activities must participate in our fundraisers (car washes, dinners, Avon sales, etc.) to raise money as well as to foster a good work ethic. We offer the opportunity to be in plays throughout the year as well as in choir performances that were performed in various churches statewide.

We are located in Mammoth, but our youth are half from Mammoth and half from San Manuel. We have a 15 passenger van in which we transport the youth for regular meetings. We have been in operation almost 4 years and continue to have good attendance. All staff is an hundred percent volunteers. NO ONE receives a wage. We are a 501c3 organization. Our tax ID number is at the top of the page for your reference. We are seeking RICO grant funding for continuance of our programs in the amount of $5,000. All money would stay local, and benefit the youth of the community which you serve.

If we are approved for the funding, we would like to publicize it in our newsletter as well as the local paper. Thank you for your consideration. If you need more information please e mail me at walk@theriver.com.

To Whom it May Concern;

In partnership with the Pinal County Sheriff's Department, and other community organizations, the Elk's Lodge will be the site for an alcohol and drug free graduation party for this year's graduating class at San Manuel Junior/Senior high. Our goal is to make this a very memorable evening for our young adults. As they begin the next stage of their lives, this can be and has been a potentially dangerous evening for graduates.

The graduation party, called Project Graduation, will be held all-night, after graduation, on May 24th. The evening will be jam-packed with things for the recent graduates to do including, dancing, karaoke, movies, horseshoes, basketball, casino-night, special presentations and drawing for prizes. There will also be lots of food and drink throughout the course of the evening, including a breakfast in the morning/

We ask for your help. Anything that you or your organization or business can do to help with our party would be greatly appreciated. We continue to seek money, to help with the purchase of refreshments and to help with the purchase of door prizes. Otherwise, if there is a specific door prize that you would like to donate, that would be great too. All donors will receive special recognition in press releases and on the evening of the event. Any help that you can give will be welcomed and greatly appreciated.

In this increasingly difficult time for our community, we are called on to continue to step up and to keep making good things happen for the good people that continue to live here. Your continued support of community interests and events is greatly appreciated. For donation proposes, out non-profit tax number is #[redacted]

Dear Sir,

Community Outreach of Robson Ranch is a nonprofit organization of passionate volunteers that are committed to providing the needs of students in the Eloy area with the tools needed to succeed in school, community and life.

Eloy, and the surrounding areas, are a destitute community and its schools suffer from the low social economic impact that plague such areas. Most Eloy and surrounding school students live in families with incomes below poverty level. All schools in the area have a 90 percent or higher free or reduced lunch eligible population.

According to the 2011 US Census Bureau, students from families that live below poverty level are not prepared for primary schooling, have a higher number of absenteeism or leave school all together by the end of 4th grade. Low-income students are already two years behind grade level in reading and math and by the time they reach 12th grade they are four years behind.

Having a community with a workforce population that does not have the basic education skills that an elementary education should provide, hurts the economic impact of the community, county and state. We at Community Outreach of Robson Ranch are diligently working to combat this problem for the Eloy community and Pinal County, as well as help these kids get all the support they need to achieve in school and life.

Please help us attain our goal.

Sincerely,

Dear Sheriff Babeu:

My name is Benny M. Valles, I organize and present community educational events at the Coolidge High School Performing Arts Center at Coolidge High School. We exchanged messages on Face book some time back in September/October 2012 regarding our upcoming Youth Fiesta Concert to be held on Saturday March, 2, 2013 at the Performing Arts Center (CHS).

I am following up on our request regarding the possibility of the Office of the Sherriff Pinal County funding our event through the "Seized Criminal Monies. Since our humble beginning back in 1996, our programs provide educational and cultural awareness through music, song and dance. We target the community, in particular our youth by offering dance workshops and an opportunity for all participants to perform for their families and community at the recital concert - Coolidge Performing Arts Center.

In partnership with The City of Coolidge and the Coolidge Unified School District who provide the venue, staff and security during the event, the fiesta concert showcases the music, song and dances from Mexico. Invited guest artists, as in the past from Phoenix, Tucson, Scottsdale, Florence and Chandler to name a few have all contributed their talent to the event.

As you may know, funding for the arts has been drastically cut from school and city budgets. This event is self-produced relying on in-kind donations from individuals, organizations and patron of the arts. Without the support of our donors, we would not be able to offer the dance workshops and the community concert.

We are asking for your support in providing monies from the Seized Criminal Monies to help us continue our mission in Coolidge. Monies received will be used to help cover expenses for the dance workshops, costumes and to help other artists who participate in the event for their services. Our dance company based in the San Francisco Bay area has ties with the City of Coolidge (Mayor Tom Shope, City manager – Robert Flatly) and the Coolidge Unified School District as well with the Coolidge Chamber of Commerce. The Ballet Folklorico Costa de Oro is dedicated to the preservation of Mexican traditions and culture. Dance and music are the tools used to educate the youth and community about Mexico's rich and beautiful history.

Any monies from the Seized Criminal Fund, if approved for support can be made directly to the Coolidge Unified School District – Performing Arts Center: Contact: Ms. Corianna Lee @ [redacted] for the Coolidge Youth Fiesta Concert.

I am pleased to announce the participation of the following high school students from Pinal County:

Coolidge High School – Dance team –Coolidge, Arizona
San Tan Foothills High School-Dance Team- San Tan Valley, Arizona
Mariachi Cielito Lindo – Santa Cruz High School-Eloy Arizona

The following artists will be performing at the Fiesta Concert:

Ballet Folklorico Amistad – Youth Dance ensemble- Scottsdale, Arizona
Ballet Folklorico Santa Maria – Youth/Young Adult dance ensemble – Phoenix, Arizona
Ballet Folklorico Costa de Oro- Youth Corps/Young adult dance company-San Lorenzo, California.

Through your support, The Ballet Folklorico Costa de Oro in collaboration with the Coolidge Unified School District and the City of Coolidge, will be able to give back to local communities by providing Arts back in the Class rooms (ABC)

- Continue the dance workshops in the district and various schools in Pinal County, offering an opportunity for all students who participate to perform on stage in full costume for this annual event.
- Purchase costumes for participants, all costumes will remain at the Coolidge Performing Arts Center for future concerts to be used by all students.
- Provide ongoing cultural awareness and educational tools/seminars.
- Provide qualified instructors in dance.
- Showcase an annual Youth Fiesta Concert, uniting all communities.

I will be in Coolidge from February 25 through March 3, 2013 to instruct the 1st workshop series at Coolidge High School and San Tan Foothills HS to prepare students for a joint dance suite for the Fiesta Concert on Saturday March 2, 2013 @ 7pm –Coolidge Performing Arts Center. Honorable Voyles,

I am requesting a check in the amount of $3,000.00 payable to Santa Cruz Valley Union High School, utilizing PCSO State Racketeer Influenced and Corrupt Organizations funds # 2469.

The Santa Cruz Valley Union High School along with collaborating partners; the Eloy Governor's Alliance Against Drugs Coalition, City of Eloy Parks and Recreation and Parents are providing a "Safe and Sober Graduation Night".

The graduation lock-in will be on campus in the cafeteria/gymnasium on May 23, 2013 which will provide seniors a fun, safe, alcohol and drug-free event. Eloy Police Department reported the highest total overall juvenile crime between the ages of 14-18 revealed underage drinking in Eloy was quite common. Their reasons included; boredom, for fun, for attention and peer pressure.

Unfortunately, 77% of teenage alcohol-related accidents and fatalities occur on graduation night between midnight and 3:00 am. If we can prevent even one fatality, it will be worth our time and funds.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Thank you for your support.

February 14, 2013

The Santa Cruz Valley Union High School (SCVUHS) Safe and Sober Grad Night event is organized by the SCVUHS PTO and collaborating partners the Eloy Governor's Alliance Against Drugs Coalition, City of Eloy Parks and Recreation, and Parents to provide a fun, safe, alcohol and drug-free, and supervised celebration for all Santa Cruz Valley Union High School graduating seniors and their guests. The event will take place at the Santa Cruz Valley Union High School Campus Cafeteria and Gymnasium on May 23, 2013 beginning at about 10:00 pm and end approximately at 5:00 am the next morning. The event will provide food, entertainment, prizes, senior gifts, huge inflatable games, dancing, a basketball tournament, volleyball, and a game room. The SCVUHS Safe and Sober Grad Night also provide participants with a bag with health information specifically for teens and young adults at the end of event.

According to the Eloy Police Department the months of April and May (prom/graduation months) have the highest total overall juvenile crime from youth between the ages of 14-18 occurred during this time period. Previous information gathered from teens revealed that underage drinking among junior and high school students in Eloy was quite common. The most common reasons given were boredom, to have fun, to get attention, and peer pressure. More teenage alcohol-related accidents and fatalities occur on high school graduation night than at any other time of the year. More than 77% of those fatal crashes occur between midnight and 3:00 am.

Even if only one alcohol related injury or fatality is prevented by this alcohol free celebration, the extensive effort to plan and fund it will have been well worth it both for the high school students and Eloy. If we are able to gather the resources to make the Safe and Sober Graduation Night a spectacular event, more students will attend and spend the evening in a safe and alcohol/drug-free environment.

We would like to take this opportunity to request a donation for the SCVUHS Safe and Sober Grad Night (TAX ID: [redacted]). Jointly we can continue to make a difference and influence the course of human events. Please choose to support our efforts. Your contribution will help us expand our resources and do a far more extensive job of supporting our youth. Should you like more information contact [redacted]@[redacted] or [redacted]

At this time donations have been very difficult. I am asking that you consider raising your donation from last year we are asking that you consider a $3,000-$4,000 donation, if at all possible. The resources for the community of Eloy are very limited and difficult. However, any amount will be appreciated to make our Safe and Sober Grad Night a success.

Sincerely,
Santa Cruz Valley Union High School PTO

The objective of the Casa Grande Heat Organization is to introduce, establish, teach and promote softball and baseball to the youth, in an environment that encourages self confidence and self worth; leading to an active, constructive lifestyle.

Paul Babeu, Pinal County Sheriff
PO Box 867
Florence, Arizona 85132

Dear Sheriff Babeu,

The **Casa Grande Heat** organization, a volunteer driven, non-profit organization was formed in 2005 to keep youth in the community active in softball and baseball at a competitive level playing year-round and to help prevent the youth in the area from engaging in drug use, drug activity, gang activity, and teen pregnancy. We have a 2 baseball teams and 5 fast-pitch softball teams comprised of 8-16 year olds.

The organization has continued to support the youth in leading them in the right path by keeping them away from drug use, drug activity and teen pregnancy by teaching them to be leaders in the community and at their respective high schools (Casa Grande Union High and Vista Grande). The Casa Grande Heat organization has also produced athletes that have received college scholarships through softball and baseball. Just this year alone, 8 graduating seniors and members of the Casa Grande Heat teams, received scholarships from: Central Arizona College, Eastern Arizona College, Mesa Community College and the University of Utah.

We have been actively participating in tournaments, and our teams have placed in many of them winning a total of 37 championships and 74 top 5 finishes. Recently, our 10U team placed first in the "Best of the West" tournament in Prescott and qualified for the ASA Western Nationals.

We are seeking community support and assistance from RICO funds to help defray some of the costs associated with this endeavor such as: field and light usage, uniforms, tournament entry fees, etc. Most of the proceeds we receive are from

Hugo Hernandez, Assistant Principal/Athletic Director

Dear Sheriff Babeu,

The Florence Gophers K-8 6th, 7th and 8th Grade Girls Softball Teams are currently searching for companies, organizations and community members to sponsor our young athletes and/or make donations for the upcoming 2013 season.

Team sponsorship helps to boost team spirits and makes the children aware of the generosity of others.

Our coaches are very passionate about keeping the students of Florence active and busy, so they are not exposed to the temptation of drugs and alcohol. We to promote a healthy and drug-free lifestyle.

Donations are needed to provide the children with new equipment, awards, medical kits, and to provide scholarships for students who do not possess the means to pay the pay to participate fee. Lack of funding and failure to pass an override, athletic funding has taken a huge hit financially. The community has been generous by donating items such as Band-Aids and cold packs..

We are happy to provide you/your company/organization with a receipt for your generous sponsorship and/or donation. All monies donated are tax refundable. Your help is truly appreciated.

Please support the children of your community with your sponsorship and/or donation. The memories created will last a lifetime!

Best regards,

Hugo R. Hernandez

The Superior Little League is requesting your sponsorship for the 2013 Season. The league is a NON-PROFIT organization ran and coached by volunteers and supported by businesses and individuals like you. Your generous donations will go back to the players in the form of uniforms, equipment, awards, facilities, registrations (for families who are unable) and tournament costs.

The mission of Superior Little League is "to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League."

Through proper guidance and exemplary leadership, the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. Please see the attached documents for sponsorship options and policy.

Sponsorship Policy for Superior Little League®

Purpose

The purpose of this document is to define the Superior Little League policy for sponsorships. This policy will delineate the rights and responsibilities of both the League and the Sponsor. The local Little League program, in this case the Superior Little League has the ability to define sponsorship standards as per the Little League International Operating Manual (see section titled "Sponsors and Donors").

Audience

The direct audience of this policy is both the Little League Board members and sponsors, although all Little League volunteers, parents, players and the general public are welcome to view this policy.

Policy Maintenance

This policy must be reviewed and approved by the Board of Directors within the first 60 days of each new season (as defined by the Superior Little League Constitution and By-Laws). This will ensure the policy is kept up to date with sponsorship standards at the Little League International as well as local level.

The Policy

The Superior Little League Sponsorship Policy consists of Little League International standards and Superior Little League standards. If at any time there is a conflict between these two sets of standards, the Little League International standards prevail.

Little League International Standards

The Little League International standards are the standards included in the current Little League International Operating Manual.

Superior Little League Standards

- Each and every sponsor must completely understand that a sponsorship is not an endorsement of the person, business or any products or services provided by the said business by the Superior Little League
- Sponsors must get prior approval of any use of the League's names, trademarks, emblems, etc., as indicated in the following guidelines.
- Little League International shall have the sole and exclusive right to use and to allow or refuse to others the use of the terms "Little League," "Little Leaguer," and the Official Little League Emblem or any colorable simulation thereof.
- Sponsors may not use the marks or words "Little League," "Little Leaguer," "Little League Baseball," "LLB", "LL", "Senior League Little League," "Big League Little League," "Challenger Division" without including the local league's name "Superior Little League". The only exception is in the case of a local affiliate of a national sponsor.
- Sponsors cannot use the words "Little League," "Little Leaguer," "Little League Baseball," "Senior League Little League," "Big League Little League," "Challenger Division," and/or the Official Emblem in conjunction with any product or service.
- Sponsors cannot use the words "Little League," "Little Leaguer," "Little League Baseball," "Senior League Little League," "Big League Little League," "Challenger Division," and/or the Official Emblem in conjunction with any other activity or program, or as a part of a composite name covering related programs. These said names or the Official Emblem may not, for example, appear on stationery, bulletins, press releases of other sports organizations, commercial enterprises or services.
- Sponsors must not use the Little League name and Official Emblem separately or in conjunction with the name of any other program or activity for the purpose of soliciting funds to be used for other than Little League activities.
- Any use of the marks or words "Little League," "Little Leaguer," "Little League Baseball," "LLB", "LL", "Senior League Little League," "Big League Little League," "Challenger Division," and/or the Official Emblem on the Internet requires written authorization from Little League International Headquarters annually.
- Complete information on the use of Little League Marks can be found in the current version of the Operating Manual. The Little League International standards are hereby included by reference. See section "Use of Little League Marks" in the Operating Manual.
- Exploitation of the Little League program, a league, a team or individual player for the benefit, financially or otherwise to a sponsor is strictly prohibited.
- Sponsorships can be revoked at any time without refund for violating this policy.
- This policy does not limit the League's (either Superior Little League or Little League International) legal recourse available due to copyright or trademark infringement for misuse of Little League International property.

Dear Mr. Babeu:

I am writing to you on behalf of the Ray Bearcat Booster Club. In the past, the Bearcat Booster Club was a vital and active organization supported by fund raisers and businesses throughout the Copper Basin. It supported Ray School athletics, band, cheer, and various other programs, by providing funding help with uniforms, awards, equipment, etc.

In the last few years, the Booster Club has been inactive, and because of loss of interest, pretty much non existent. The downturn in the economy and budget cuts to our schools has made the roll of the Booster Club even more important and a much needed resource.

As parents to school age children, a group of us got together and re-established the Ray Bearcat Booster Club. This year's main goal is to continue our efforts in restoring school spirit for the athletes, staff, administration, and community.

We've already been approached by the school and asked to help with the funding for a new scoreboard for the baseball field. Some of the projects that the Booster Club has planned are; to make some renovations to the football field, help with a new scoreboard, and to provide plaques to the athletes this year.

I would like to ask you to please consider making a donation and join other businesses in our area to help re-establish the Ray Bearcat Booster Club, and "Restore the Roar!"

I thank you in advance for any consideration.

Sincerely,

Staci Hatfield
President

Dear Sheriff Babeu:

Whereas:

- San Tan Valley encompasses three independent school districts with 3 high schools, 13 grade schools and 4 charter schools,
- San Tan Valley has no municipal government to fund a parks and recreation department that could provide additional after-school activities for our youth,
- Serious budget cuts have forced all of our schools to curtail significant extra-curricular programs, thereby making it easier for local gangs to subject many of our youth to a negative culture of drugs, sex and violence,

San Tan Valley American Legion Post 97 - Home of San Tan Valley Youth Programs - respectfully requests your use of $16,500 of RICO funds to financially support the following youth leadership programs:

- American Legion Baseball - 2 Teams @ $5,000.00 each 10,000.00
- American Legion Boys State – 10 candidates @ $400.00 each.....4,000.00
- American Legion Law Enforcement Career Academy (ALLECA) – 10 candidates @ $250.00 each.....2,500.00

For more information about these programs, please go to our website at www.stvlegion.com.

San Tan Valley American Legion Post 97 greatly appreciates all the support that the Pinal County Sheriff's Office has given our youth leadership programs over the past three years.

Florence, AZ 85132

Dear Paul:

I am requesting a check for $10,000.00 of PCSO TF RICO funds (Cost Center 2468) for the Town of Superior Summer Recreation Program. This will cover summer activities for the youth in our community to be able to participate in specialized classes such as: swimming lessons, 4th of July Rodeo, science projects, crafts, dance, etc.

The Town will need to purchase equipment, engage program sponsors, and obtain supplies, space and additional insurance as well as other incidental costs associated with these events. Our recreation program was eliminated in this year's budget. This additional funding will allow us to hold summer activities and reach out to approximately 150 youth from the ages of 5 to 18 years old!

Recreation programs provide youth of all ages with much needed social interaction, group play activities, improved motor skills and cultivation of their self image and self esteem. Additionally, they provide a supervised, safe environment where youth can have fun and create lasting, positive memories. This additional funding for our summer recreation program will assist in keeping at-risk youth off the streets during the summer break from school.

Thank you for your consideration of this request.

Sincerely,

Dear Sheriff Babeu:

Plans are now being finalized for the 28th Annual "Denim and Diamonds" Casa Grande Rotary Club Foundation Dinner and Auction. The event will be held April 6, 2013 at the St Anthony of Padua Community Center and we hope you can join us this year as we continue a tradition of service to the youth of our community.

Over the past twenty eight years, the Casa Grande Rotary Club Foundation has awarded over $870,000 in college scholarships to more than 550 students. Scholarships are awarded to students who demonstrate academic success, a desire to succeed, and a proven need of financial support. These scholarships have made a difference in many young people's lives; giving them a chance to fulfill the dream of earning a degree and building a foundation for a successful career. We have supported students with varying levels of success; from those who attend Central Arizona College earning a technical or associates degree to high honor students attending major universities such as; George Washington, Notre Dame, Gonzaga, and all our universities in Arizona. In each case the scholarships have allowed students to attend college when they otherwise may not have been able to. By virtue of our local demographics and the selection criteria weighted on financial need, the scholarship awards lean towards supporting a higher minority population and often reaches first in the family college bound students. In such cases, we see change in cyclical norms and know this change will be far reaching for generations to come.

The Casa Grande Rotary Foundation has also been a significant and continuing contributor to the Boy's and Girl's Club of the Casa Grande Valley, donating $110,000 over the past 11 years. Our support provides scholarships to families who are unable to afford the fees to participate in the Boys and Girls Club after school programs. These opportunities provide academic, social and emotional support and redirect student interests away from negative influences of the streets. We have been very proud of our partnership with the Boy's and Girl's Club to help perpetuate a culture of success that yields our future Rotary scholars.

As you can see, the Casa Grande Rotary Club is passionate about helping our local youth gain a leg up in life. It is our goal to continue to build and foster a culture of success by keeping our youth focused on the positive and being there helping them fulfill their post secondary academic dreams. I am certain it's clear to you and your department, the more organizations like Rotary can do to direct our youth in a positive direction, the less likely they will turn to crime and drugs, and the more likely they will escape the cycle of poverty and social dependence.

I Thank You in advance for your consideration in joining us with a donation and participation in this year's "Denim and Diamonds" fundraising event.

Sincerely,

Louie Sanchez

Dear Sheriff Babeu:

Thank you again for supporting our organization. Our entire organization appreciates all of the support that we receive from you and the Pinal County Sheriff's Office. You and your department are our Arizona City Club's most generous supporter- thank you for partnering with our organization and supporting the youth that we serve. I am writing this letter as an official request for RICO Funds. Please accept this request for $25,000.

Last year, our organization served approximately 400 local youth everyday with our three after-school programs. All of these young people deserve a chance at a great future. For a variety of reasons, many of our Club Members face a series of external roadblocks on their quest for success. Our Clubs provide high-impact, affordable programs, and caring adult mentorship to give our members a chance to learn and grow. Our goal is to help each of our Club Members achieve the following outcomes:

- ***Academic Success-*** We want all of our members to graduate from high school ready for college, trade school, military service or employment.
- ***Good Character & Citizenship-*** We want all of our members to be engaged citizens who are involved in their communities and who model strong character.
- ***Healthy Lifestyles-*** We want all members to adopt a healthy diet, to practice healthy lifestyle choices and to make a lifetime commitment to fitness.

Thank you for considering our request. The funds that we receive from this request will be used to cover our facility usage costs and offset the costs associated with offering our All-Day Friday program for the 2013-14 school year. These funds will allow our organization to continue to offer our high quality program to the youth of Arizona City without forcing them (and their families) to take full responsibility for the operational costs associated with this program. Not only will these funds benefit our members and their families; these funds will benefit the entire Arizona City community. Thank you for partnering with us to ensure that **GREAT FUTURES START HERE.**

Re: Request for Donations for Graduation Night Lock-In

Dear Sheriff Paul Babeu,

We are writing this letter to request assistance for our second annual Florence High School Graduation Night Lock-In event to be held on the evening of May 29, 2013. The goal of this event will be to give students a fun and safe place to enjoy their graduation night free from drugs and alcohol. A donation of $7,500 would help cover our expenses and allow us to put on the event as we envision it.

Across the country, thousands of students are killed or injured on their graduation night due to alcohol or drug related incidents. Our goal at Florence High School is to eliminate this risk to our students. Of our graduating class of 155 students, our goal is to have 120 students volunteer to stay on campus overnight. The school would provide entertainment and food for those who choose to stay until 6am the next morning. All activities would be supervised by teachers, administrators, parent volunteers, and various law enforcement officers. Students present will have a safe environment, free from the risks of drugs, alcohol, and traffic related injuries or fatalities. With your support in the pass, we have always well-exceeded having over 75% of our graduating class attend this event.

All donated money will specifically be used to cover the cost of the event listed above, as this is a not for profit event. If you have any questions, you contact me at 520-866-3500 x 7149, or directly via email at smiller@fusdaz.org. Thank you for your time and consideration.

Dear Sheriff Babeu,

I, Teri Basaldua, am writing to you on behalf of the Honey Badgers Girls Club and in support of Cub Scout Pack 953, an organization that is working for the children in our community. We estimate that today there are 35 and more to be expected, kids in our town that are passionate about being active but have nowhere to do it safely. We feel that this drive should be supported by a safe, sanctioned place for these kids to exercise, socialize, and develop skills that will be useful throughout their lives. Our organization is dedicated to the process of making that happen but we need your help.

Your donation will bring us closer to our goal of $1,000. Many business and community leaders are on board as well as hundreds of individuals. Our community is clearly excited and eager to see this Club succeed You can be a part of that excitement by supporting our youth with a donation. We are happy to acknowledge your donation at our upcoming events, (unless you prefer otherwise).

Subject: RICO Funds to Support Poston Butte

Date: April 9, 2013

Sheriff,

I received the attached emails from Glenn Shough who is a teacher at Poston Butte High School. He submitted a proposal to the school district to teach a course entitled *"Introduction to Criminal Justice"* during the next fiscal school year. The district has approved his request. Mr. Shough would like to form a partnership with our office to assist with teaching certain portions of the training and also he is requesting financial assistance to purchase supplies needed for the course.

The class will provide an overview of the study of the U.S. Constitution, the state government of Arizona, and political philosophies nationally and worldwide. This course focuses on the criminal justice system and all if its' ramifications. Participation in Poston Butte's *"Teen Court"* or "*Mock Trial"* program will be mandatory.

The supplies can be reused during each semester and the books will be good for 3 to 4 years. The onetime cost to get the class up and running will be a total of $4,000.

Books =	$3,300
DVD's =	$500
Materials =	$200
Total =	$4,000

I am asking that we use a portion of the money we have seized from drug dealers and reinvest the money into this program to better the quality of education provided to the students who attend this course. The course will help educate youth in drug resistance, healthy life choices free of gangs and violence.

Respectfully,

Subject: Introduction to Criminal Justice

Hi Tim,

I submitted a proposal to the district office to teach *Introduction to Criminal Justice*. I recently found out that my proposal went through and was awarded one class for the next fiscal school year. If you recall, I teach driver's education here at Poston Butte High School. I am also certified to teach history, government and criminal justice.

The purpose of this email is to let PCSO know about the program. I would also like to build a partnership with your department for teaching support and possibly financial support.

I want you to know that the class will not compete with CAVIT's police CADET program...it will be an interdisciplinary class that will teach all aspects of the criminal justice system.

The course description in the curricula book reads as follows:

> *The class will provide an overview of the study of the US Constitution, the state government of Arizona, and political philosophies nationally and worldwide. This course focuses on the criminal justice system and all if its' ramifications. Participation in Poston Butte's "Teen Court" or Mock Trial program will be mandatory.*

I am beginning this course from the ground up. My biggest challenge will be financing the materials needed for the course. PBHS probably won't finance much for the class. I was wondering if PCSO would be able to provide me with an educational grant to purchase books, supplies and material for the class.

Tim, if you could assist me in this request I would deeply appreciate it. Please forward this message to the proper chain of command for processing. My contact information is below. I appreciate any and all assistance your department may provide Poston Butte High School.

Respectively requested,
Glenn Shough Ma, Ed.

Tim,

I spoke with a few people who have done this before and they have advised that it takes about $4000.00 to get a class going.

It breaks down like this:

Books =	$3300
DVD's =	$500
Materials =	$200
Total =	$4000

The books are problematic because there are none available thru are current electronic book vendor. A few publishers like Pearson, MaGraw Hill and Glencoe have both a physical book and electronic books. The problem with electronic books is that they require a 3-5 year license renewal which will be an additional cost later down the road. If I were to get a physical book...PBHS will own them forever. So, I would prefer an actual physical book. They are about $100 each or more. Teacher edition $135-$150.

The video/DVD stuff can be expensive. There a few DVDs that I would like to purchase and they cost from $125-$250 each. The vendors jam educators and triple or quadruple the cost . I normally keep an eye out for video's and buy them myself at Costco or Amazon when I see them on sale. The "education" vendors never have a sale.

The material items, would be miscellaneous items such as posters, word searches, Survey Monkey membership, and historical fictional/true crime novels such as "In cold blood", "Trunk Murders", etc.

I hope this covers everything. I know it is a lot to ask for so whatever you can get me I would appreciate any and all help.

Best Regards,
Glenn Shough

Subject: Prom Committee Request

Dear Sheriff Paul,

The Junior Prom Committee at Casa Grande Union High School is holding our Annual Prom at The Property Conference Center in Casa Grande on April 6, 2013.
The Prom is an opportunity for the teen-age youth at Casa Grande High to celebrate an American tradition of dancing and fellowship while dressed up in fancy gowns,
tuxedos, and gorgeous hair-do's. It's an exciting occasion for all involved.

The kids that attend, and their adult chaperones, are planning for an evening of youthful celebration without the dangers of any presence of drugs, alcohol, or malicious behavior by juvenile offenders bent on causing harm of any kind. In order to assure that the evening goes as planned we have hired uniformed and sworn Peace Officers to
be present and visible during the event primarily as a deterrent for any illegal activity but also to be present to prevent and intervene if in the course of the evening
such behavior should occur.

We are hopeful that you could authorize a contribution of $1000 from the PCSO Crime Prevention or Drug and Alcohol Abuse RICO funds in order to help
offset the costs of providing the presence of uniformed officers and to help assure that we all can enjoy a drug and alcohol free event.

Thank you for your consideration. If you are able to help, the funds can be sent to the Casa Grande Union High School and notated as a contribution to the Junior Class, class of 2014 .

Sincerely

Dear Sheriff Paul Babeu:

Thank you very much for your continuous support of San Tan United Sports Academy.

I am writing you today to request a donation for San Tan United Sports Academy Youth Flag Football Spring League and Summer Soccer League.

San Tan United Sports Academy is a 501(c) (3) organization based in San Tan Valley, AZ. Our main goal is to offer boys & girls ages 3 and up in San Tan Valley a high quality, low cost soccer and flag football programs. We are built by a volunteer staff of directors, coaches and referees and are sustained by many great local athletes and their families.

Our league only charges each athlete $40 to play in our youth soccer or flag football league. This is significantly lower than comparable youth leagues. In fact, it's less than a half of the cost compared to other leagues fees.

We are reaching out to you to ask you if you would donate $10,000 towards San Tan United Sports Academy Spring Flag Football and Summer Soccer League.

$40 athlete fee doesn't cover all of our costs. However, we don't want to charge more money and make the league inaccessible to athletes for financial reasons.

If you are able to donate this amount, I would be very appreciative and forever grateful. With this donation you will support growth and improvement of our sports' programs.

We appreciate your time and consideration. It really means a lot to our committee and most importantly, our 900+ members and their families.

Thank you very much for your help.

If you have any questions or would like more information, please feel free to contact me. My email address is [redacted]. My phone number is [redacted]

Dear Sheriff Paul,

We are respectfully asking the Pinal County Sheriff's Office to consider providing $5,000.00 to help pay costs for our community football and cheer organization with RICO funding.

Poston Butte Youth Football and Cheer was started 5 years ago by several members of our community with the goal in mind of not only providing an outlet for youth to participate in sports, but also a way to build a positive self-image for our youth. Provide them with good role models and mentoring, and provide healthy activities that will keep our youth away from drug use, gangs, and violence so they become productive citizens.

If approved, we intend to offer scholarships to those children that come from families that may not be able to afford to participate. We also would plan on taking the remainder of these funds and pay Florence Unified School District in advance for this and possibly next season as well. Our ultimate goal being to lower registration costs across the board so that more children will be able to participate.

Again, we would like to thank you for your time and consideration.

Dear Paul:

I am requesting a check for $5,000.00 of PCSO TF RICO funds (Cost Center 2468) for the Town of Superior Fall and Winter Programs. This will cover the costs to co-sponsor the Trunk or Treat event in October and the Electric Light Parade in December for the youth and their families in our community to promote positive community events. Last year we were unable to provide assistance to other organizations that have taken the lead. The Trunk or Treat and had a phenomenal turn out! Several members of the community participated by entering their vehicles to give out candy on Main St. It was a great event with a costume parade, and prizes for various costume categories and fun music provided by a D.J. The electric light parade is another well attended event. After the parade Santa is present to give out over 500 goodie bags.

The Town will need to purchase supplies, and other incidental costs associated with these events. Our participation has diminished in community events due to our limited budget. This additional funding will allow us to assist with these activities and reach out to families in our community.

Community programs provide youth of all ages with much needed social interaction, group play activities, improved motor skills and cultivation of their self image and self esteem. Additionally, they provide a supervised, safe environment where youth can have fun and create lasting, positive memories. This much needed funding for these events will assist in keeping at-risk youth engaged in positive community activities.

Thank you for your consideration of this request.

Dear Sheriff Babeu,

I hope your New Year and term are off to a great start. Adelante Juntos Coalition (AJC) and the families that we serve out here in rural Pinal County wish you continued success in achieving the goals and objectives of your administration. The coalition very much appreciates your support and responsiveness to our needs and concerns regarding safety and protection our youth in San Manuel, Oracle and Mammoth.

In 2013 AJC intends to continue to address underage and binge drinking. I am happy to report that during the 3 years of implementation of our Project STOP! at both Mammoth San Manuel and Hayden Winkelman Unified School Districts there has been a statistically significance decrease in initiation of use and an increase in the perception of harm to youth from not only alcohol use but the troublesome trend of using designer (synthetic) drugs that are showing up at independently owned convenient stores in our communities. Additionally the near epidemic abuse of prescription medicine is of great concern to our coalition and we have developed educational presentations and programming that we hope will create awareness about the lethal risk that engaging in this behavior presents to our youth and adults. Our top priority is keeping El Centro YOUth Center (ECYC) open. ECYC has become the safe haven for kids who want the support and fellowship of like-minded peers. Kids who don't want to get caught up in risky behaviors like drinking, drugging and having babies! For many of our kids ECYC serves as an escape from other issue at home like substance abusing parents, violence or other unsafe conditions at home.

AJC's ability to maintain the center is dependent on the support of our partners and stakeholders. While I continue to seek funding and other avenues of sustainability for the center, we continue to rely on PCSO and other partners to help provide this protective factor for our youth. With that said I am requesting funds from perhaps the RICO funds to be used to help pay for the expenses, i.e. utility bill, supplies and purchase of another Flat Screen TV for the center. Our budget is reflecting a $5000.00 shortfall; therefore I am respectfully requesting a donation in that amount.

Thank you for your consideration Paul and I look forward to the great work PCSO and AJC will do together in 2013.

Warm Regards,

Dear Mr. Babeu,

Superior Robotics Team 3321 is sending the enclosed project summary to support the robotics program at Superior Senior High School. Your strong support and advocacy of programs designed to help students build resiliency to substance abuse has proven to be a strong protective factor in our communities.

Superior Robotics Team 3321 reaches out to those students who want to compete on a different playing field. Our after school program provides students with an alternative ACADEMIC activity that inspires them to seek challenging career opportunities in Science, Technology, Engineering, and Math (STEM). We graciously invite you to partner with our team to provide an innovative program that encourages our members to image, invent, and design a robot that can compete in the FIRST Robotic competition (http://www.usfirst.org). Superior Robotics Team 3321 is building a strong foundation for our students by developing problem solving-skills, self confidence, and responsibility.

Superior Robotics Team 3321 respectfully submits this request for financial support to sustain and build the 2013-2014 season. We believe our program is worthy of receiving RICO funds as we provide students the opportunity to compete in a different type of arena that challenges their skills and intellect. Although our annual goal is $5,000, we are requesting a financial support of $2,500 to help furnish the team with proper tools, building materials, electronic components, and to cover overhead costs.

Your support and consideration is greatly appreciated and we hope we have given you ample reasons to support our efforts in providing a different platform for students to achieve success. Know that organizations who support FIRST Robotic Teams are leaders that inspire innovations and creativity in tomorrow's leaders. If you need further information, please contact me.

We invite you to partner with us to continue to provide this crucial part of student participation and engagement by helping us meet our goal of raising $5,000.00. With this money, we will be able to provide our students with the funding and much needed equipment necessary to keep these programs going. - Uniform Purchases
- Football sleds

- Helmet purchases
- Helmet inventory
- Volleyballs
- Volleyball setter points
- Volleyball Net system
- Portable Batting Tunnels

Your strong support and advocacy of programs designed to help students build resiliency to substance abuse has proven to be a strong protective factor in our communities. Superior Unified School District works on a daily basis to provide students with alternative activities especially extracurricular activities that help them develop into socially responsible, civil individuals.

Superior Unified School District respectfully submits this request for financial support to continue our facilitation of these 2013-2014 programs. I believe our project is a valuable way to invest RICO funds. We are requesting financial support of $5000.00 to help furnish the students of Superior Unified School District with equipment, uniforms, physicals, etc. We are grateful for any amount PCSO is able to provide in order to support the achievement of our goal.

Dear Paul:

I am requesting a check for $5,000.00 of PCSO TF RICO funds (Cost Center 2468) for the Town of Superior Recreation Programs. This will cover recreational activities for the youth in our community to be able to participate in dance classes, crafts, after school sports etc.

The Town will need to purchase equipment, engage program sponsors, and obtain supplies, space and additional insurance as well as other incidental costs associated with these events. Our recreation program was eliminated in this year's budget. This additional funding will allow us to have activities and reach out to approximately 150 youth from the ages of 5 to 18 years old!

Recreation programs provide youth of all ages with much needed social interaction, group play activities, improved motor skills and cultivation of their self image and self esteem. Additionally, they provide a supervised, safe environment where youth can have fun and create lasting, positive memories. This much needed funding for recreation program will assist in keeping at-risk youth off the streets after school.

Thank you for your consideration of this request.

Sincerely,

Dear Sheriff Babeu:

Superior Little League is requesting a $5,000 donation to offset the loss of utility subsidies from the Town of Superior.

With few positive, organized activities for youth in our town, Superior Little League fills an important void within our community. The League provides organized activity, structure, and role models for approximately 160 youth, ages 4-16, over the spring and summer months. Through proper guidance and exemplary leadership. the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. By supporting the virtues of character, courage and loyalty, the Little League program is designed to develop Superior citizens rather than Superior athletes.

Last year the Town of Superior provided payments of $8,400 for water and power. We are grateful for the assistance the Town was able to provide in the past, but unfortunately due to the Town's financial situation, they are no longer able to provide this support. Our utility bills average $10,000 a year; $3,500 for power and $6,500 for water.

This funding will help us ensure that we can keep the costs of registration for the next season as low as possible. With so many of our Little League families living at or below the median income level. it is crucial to keep costs incurred to a minimum. Superior Little League does not turn athletes away if they are unable to pay registration fees and offers reduced fees for families with multiple players. Family fees are $45-1st player, $35-2nd player and $10 for each additional player. This season there are 43 registrants who have been unable to pay and another 49 who have paid reduced fees. The approximate cost per player for uniforms and insurance is $60. This does not include the cost for utilities, field maintenance, tournament fees or all-star uniforms.

Thank you in advance for your support and generosity. Please call if you have any questions or comments about the Little League.

Respectfully,

Dear Sheriff Paul:

Teen Challenge has worked in Arizona for the past 47 years helping people become free from their drug and alcohol addictions. Graduates leave our residential recovery centers clean and healthy in body, mind and spirit.

Teen Challenge of Arizona's Home of Hope is a faith based residential recovery program helping women 18 and older who have life controlling drug and alcohol addictions. We disciple and care for women, and their children, to help them to overcome their addictions, restore appropriate family relationships, obtain and retain employment and become productive members of the community. I have had the privilege of being the founding director of Teen Challenge Home of Hope, in Casa Grande, working with women and women with children for the past 10 years. Since we opened our doors in 2003 we have helped 614 women and children in their time of desperate need. We are proud to be a part of the Pinal County community.

This past March I resigned my beloved Home of Hope to take a position with Global Teen Challenge as the director of their new women and children's division. I again have the privilege of pioneering a new work using the model developed at Home of Hope. I will direct new center start up, staff and leadership training, and give assistance with capacity building and sustainability strategies, for centers all over the world. Currently there are over 1000 Teen Challenge centers in 85 countries, on six continents.

I am based out of Coolidge at this time. I am assisting new center start ups in Ohio and Virginia. I am conducting Leadership training to the faith community here in Arizona, and in July I will travel to Nairobi, Kenya to speak to Teen Challenge leadership from all over Africa at the TC Africa Director's Conference. Global Teen Challenge's ultimate goal is to help people become free from their drug addictions. Receiving money from the RICO account would be an appropriate and justified use of this fund. The money received would be used to help women and their children all over the world. I am requesting $20,000 of RICO funds for Global Teen Challenge, Women and Children Division. I am very grateful for any monetary assistance designated to serving these beautiful women and their children; an opportunity to effect generations.

Sheriff Paul, I appreciate your genuine concern for our community and your consistent support for the work of Teen Challenge to help women rebuild their lives. I am so proud of all the work and success of the Pinal County Sheriff's Office. May God richly bless and greatly protect all who serve.

Honorable Voyles,

I am requesting a check in the amount of $2,500.00 payable to Girl Scout Troop #2067, utilizing PCSO State RICO funds (Cost Center 2469).

Girl Scouts experience leadership as a journey, a voyage from where they are at the beginning to some place new, with adventures along the way. Each journey challenges girls to discover, connect, and take action—the three keys to leadership. The girls are active in good decision-making and encouraged to explore science, technology, engineering and math. They learn to love fitness and health, and develop a connection to the natural world, fostering a lifelong commitment to the environment. As well as, team building and working together toward shared goals in an atmosphere of respect and collaboration.

The girl's camp will also build confidence to make wise choices and help them to understand what is right and wrong, giving them the courage to say no when in a bad situation.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Girl Scouts®
Where Girls Grow Strong™

Hello Sheriff Babeu,

I am writing this letter asking for assistance with sending my Girl Scout Troop to camp. I have a group of 8 girls that hare excited to learn new things while there. They will have the chance to go canoeing, hiking, creek walking, climbing and all the fun things you do while at camp. But, most importantly these girls will not only be having fun, they will be learning new skills, discovering new things and creating memories that will last a lifetime! Camp is a place where girls can become the best they can be, and to learn to care for and protect the environment. While at camp, girls are empowered to step outside their comfort zone, take risks and grow as leaders. Camp helps build their confidence to make wise choices and helps them understand what is right and wrong. It will give them the courage they will need to say "No" when put in bad situations.

The camp my girls would attend is called Shadow Rim Ranch located in Payson. They would attend from June 4th to June the 7th. The cost for each girl to attend is $210 with additional cost of $60 for the bus transportation that takes them and brings them back. Additionally, each girl could buy a Camp Tshirt for $12.

With your help, I have the strength to continue to mentor these girls and help them to make the world a better place! I thank you so very much for time and everything you do!

Sincerely,

Re: 1st Annual Girl Scout Troop #1571 Roping Rodeo

Dear Sheriff, we need your help!

Girl Scout Troop #1571 is putting on their first ever Roping Rodeo to raise funds for our troop. It will take place on November 16, 2013 at the Rodeo Grounds in Casa Grande. This fundraiser is your chance to support one of your local Girl Scout Troops.

The Girl Scouts of Southern Arizona is a 501(c) (3) Non-profit Organization that serves to support girls and build their courage, confidence, and character to make this world a better place. Your donation will help our troop with cattle fees and the purchase of eight buckles for our winners so that we may have a successful rodeo. We are expecting the cost to be around $3,000.00. Funds raised in this event will go towards our troop's big trip coming up in June, 2015. We are headed to London and Paris for a 9 day tour of a lifetime. This is a chance for our girls to experience foreign cities, iconic monuments, and distant cultures first hand.

We invite **You and your office** to join us as a sponsor for this event. We are anticipating a highly successful and well-attended event. Upon receipt of your donation, you will receive a thank you note with our tax ID number that will serve as your receipt for tax purposes. In return

Honorable Sheriff Babeu,

First and foremost, thank you for participating in our Opening Ceremonies for Maricopa Little Leagues 10th Anniversary. Our players and families were very excited to see the Sheriff of our county in attendance for the event.

As President of Maricopa Little League I would like to thank you for the opportunity to be considered for support by the Pinal County Racketeer Influenced and Corrupt Organizations (RICO) funds. Being a 501c3 our league is always in need of financial support to provide safe equipment and scholarships to the families involved in our league. Our league is all based on volunteers so 100% of any funds given to our league benefits the children of our league.

In the 10 years since Maricopa Little League was founded it has played a major role is providing structured youth sports for our communities neediest kids. We view our league as a youth based program using baseball as a tool to help mentor and teach children many life lessons. Our league also offers the Challenger division to children between the ages of 4 to 22 that have physical or mental disabilities. We've had four teams compete in this division for the last two seasons and are determined to make it a bigger part of our league.

Maricopa Little League is eager to continue with our community events and developing positive youth. We are asking for assistance in our efforts of transforming Maricopa youth into healthy and active participants. We have kept our promise to the City of Maricopa and have managed to help in upkeep of the baseball fields at Pacana Park and in the surrounding areas. We've added value to the softball/baseball experience adding outfield fences along with involving our community as volunteers. We've also hosted our District tournament for the past 4 years which is very uncommon. Typically the tournament rotates to each league in the given district each season. Our league has earned enough respect within our district that other leagues are happy MLL has hosted the past few years. During the tournament we host roughly 200 players from our district who come to Maricopa and frequent grocery stores, restaurants and many other local businesses. Unlike many other youth sports, families within our league create bonds and remain at the park to watch games of family friends instead of going home after their child's game.

Honorable Voyles,

I am requesting a check in the amount of $10,000.00 payable to the San Tan Valley Little League, utilizing PCSO State RICO funds (cost center 2469).

The San Tan Valley Little League (STVLL) provides nearly 500 youth each year, the baseball experience. Providing our youth the best, safest experience possible will give these children memories of a lifetime.

The three divisions include all age groups to participate. Last year the 11-12 year old "All Star Team" won the District 14 Championship, and attended the state tournament in Tucson. Providing these children with an outlet other than gangs, drugs, graffiti and mischief, will provide them with the learning skills for a strong foreseeable future.

Mr. Paul Babeu,

Hello, my name is Missi Kennedy, President of San Tan Valley Little League (STVLL). We again anticipate providing the baseball experience to nearly 500 youth within San Tan Valley. Given the tough economic times most are experiencing, both here and nationwide, we are reaching out to local businesses in the area for sponsorship. The reasoning behind this is two-fold.

First, since our area is a relatively new and growing community we would like to bring a community feel to the league. Families may be made aware of a company, or companies, they may have not known about in the past. This was experienced last year when we did a fund raising event with a local restaurant. The event helped this business, as well as the league. During the event most people were stating, "I didn't realize you were here, but we'll definitely be back."

Second is due to the fact that STVLL spends thousands of dollars to ensure the children receive the best and safest experience possible. Thousands of dollars in insurance coverage is paid out annually, along with field and restroom usage fees for the location we play at. In addition to this, we provide and pay for; replacement equipment, uniforms, team pictures and qualified umpires. Our registration fees cover only a small portion of the money necessary to operate the league. We have not or will not turn away a child who wishes to play. If a child's family is in financial hardship we will scholarship that player, or players, either partially, or in full, for the registration fee(s). Last year we scholarshiped approximately 10-15% of the players within the league, and unfortunately we anticipate the same or an even slightly larger percentage this year. We also have families who have several siblings and regardless of how many children they have playing in our league, the maximum fee they pay is $300.00.

We have tournament play for kids as well where we travel to other cities and play teams in our District. That being said, we send two to three teams to these tournaments. We have three different age groups that go to these tournaments. Last year, we had our 11-12 All Star Team, win the District 14 Championship, and we went to Tucson to complete in the state tournament.

In order for us to continue providing children with a quality baseball program such as ours, and make it affordable, we are asking for your financial assistance. We are requesting a $10,000.00 donation. We are in need of sponsors who are willing to donate to assist with the league's expenses and fulfill the mission of the league:

To implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority, so that they may be well adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens.

Sincerely,

Dear Sheriff Babeu:

Thank you again for your generous donation to the inaugural Brian Terry Foundation Benefit Dinner to honor the life of Brian Terry held in September of last year. We are excited to announce that on Saturday evening, September 28th, 2013, the Brian Terry Foundation will host its Second Annual Benefit Dinner at the J.W. Marriott Starr Pass Hotel and Resort.

The 2013 dinner will be the first time that the Foundation presents the Brian A. Terry Courage Awards. Three awards will be presented and we are excited to announce that Congresswoman Gabrielle Giffords will accept the Courage & Heroism in the Community Award, CBS News Investigative Reporter Sharyl Attkisson will accept the Courage in Journalism & Reporting Award and our final award will be presented to an outstanding U.S. Border Patrol Agent.

The Brian Terry Foundation was formed in the summer of 2012 to assist family members of U.S. Border Patrol Agents killed in the line of duty and award college scholarship monies to students pursuing a career in law enforcement. Professionally, Brian was a U.S. Marine, a local police officer in Michigan, a U.S. Border Patrol Agent and at the time of his death, a member of the elite Border Patrol Tactical Unit known as BORTAC. Brian was also a son, brother, uncle and cherished friend to many. Those that knew Brian know that he would have wanted to help the families of his fallen Border Patrol brothers and assist young men and women wanting to go to college to study criminal justice. The Brian Terry Foundation allows Brian's legacy to continue and his memory live on by helping others.

We are committed to honor the memory of slain U.S. Border Patrol Agent Brian A. Terry who was killed in the line of duty in a firefight with a Mexican drug cartel rip crew outside of Rio Rico, Arizona. Investigation revealed that Brian was killed by men carrying weapons supplied to them by ATF in a flawed and reckless gun trafficking investigation known as Operation Fast and Furious.

Once again, we hope you will consider lending your support to this important cause by purchasing either a $25,000, $10,000 or $5,000 table to help us raise money for the foundation. Whether you personally contribute or raise funds from your sources, please know that you will be making an enormous difference in the lives of many. A response form is enclosed for further review. Thank you for your kind consideration, and I hope to personally greet you on September 28th.

Sincerely,

Dear Sheriff Paul,

It was a pleasure meeting you last week to discuss Winged Hope Family Advocacy Foundation and our mission to help provide Child Abuse and Domestic Violence Prevention, Awareness, and Treatment to Arizona residents.

One of our primary goals as an organization is to help in the start up and sustainability of Family Advocacy Centers (FAC), to support victims of violence and to help ensure the perpetrators are prosecuted more often, as statistics prove, advocacy centers make happen. One study shows an average 94% conviction rate for FAC cases carried forward.

A multidisciplinary team approach (MDT) is the foundation of Advocacy Centers. An MDT is a group of professionals representing various disciplines that work collaboratively from the point of the report of violence to assure the most effective coordinated response possible for every child and adult that comes through the family advocacy center. The purpose of interagency collaboration is to coordinate intervention so as to reduce potential trauma to children and families and improve services, for example, child victims of sexual abuse who receive services at Advocacy Centers are four times more likely to receive forensic medical exams and increased referrals for mental health treatment than children served by non-FAC communities. The Family Advocacy Center ensures these best practices are being followed, all the while preserving and respecting the rights and obligations of each agency to pursue their respective mandates.

We can't accomplish all of our goals without help from the community, in the form of financial and verbal support. We are requesting a $10,000 donation to help us fulfill Winged Hope's mission:

Our mission is to provide Child Abuse and Domestic Violence Prevention, Awareness and Treatment to the community with a focus on recovery after the abuse, through advocacy and healing therapy methods, for example, through the use of Advocacy Centers.

Thank you so much for your support of Winged Hope and all the victims we hope to aid in becoming hopeful survivors!

All my very best,

Jessica Nicely-CEO/Founder Winged Hope Family Advocacy Foundation

2013 Season

Dear Sheriff Paul Babeu,

Hello sir my name is Aaron Blakeman I am a Volunteer Baseball Coach with the Santa Cruz Valley Little League out of the City Of Eloy. The Santa Cruz Valley Little League is a nonprofit organization that depends on the generosity of its sponsors and surrounding communities to provide for its continued existence are program has been around since 1953 helping shape the youth of our community for the future. We are constantly seeking fund-raising activities to enable our program to meet the growing demands of the community's children. Here at the Santa Cruz Valley Little League we believe playing in our Little League program is an important factor in the growth and development process of our young people.

The reason I am writing you today is unfortunately due to other Leagues in the surrounding areas are program has suffered by the loss of the number of our participating young children, sponsors, and normal donations made by the parents of participating children. We normally would have multiple teams in our program but over the years and loss children to other surrounding leagues we only have one Minor Little League Team and one Major Little League Team. Myself and the other coaches all have full time jobs and families many of us have children that participate in the program and we volunteer anywhere from 12 to 15 hours a week and practice 5 sometimes 6 days a week not including games. I think you know as well as I do how important programs like ours helps mold our young children. We as coaches see the passion these children have to play baseball and that's why we volunteer so much of our time and money to help keep the program going because it's important to the growth of our youth and community.

As we stand right now we have our first game next week and are still in dire need of essential gear such as bats, catchers equipment, batting helmets, etc. and as of right now us as coaches are buying what we can out of our own pocket just so these young people can participate in a sport we all love. Any type of support that your office could make would be greatly appreciated by everyone who participates in our program especially the children, every penny would go to the purchase of equipment needed for our program to continue on year after year. I know you're a very busy man so Thank You very much for your time and all that you do for Pinal County.

Sincerely

Sheriff Paul Babeu:

Hello, my name is Kyle Spitler and I am the theater director at Poston Butte High School. My program consists of over 100 students, 40 of whom are active in after school theater. The other 60 consist of students who participate in either a theater class or stagecraft class. Poston is a new school and still under development. Due to the economy Poston Butte could not finish their development plan, which is why it does not have an auditorium or any real facility for the performing arts. We have had to make do with the kindness of others and in a few cases, the tolerance of others.

My students have a real passion of theater. The 2012/13 school year was my first year in charge of this program. I am the fourth theater teacher in four years. In the past the teachers who have run the theater program, although very dedicated, were not trained. I came into this job understanding what I was walking into and I am working hard to grow it into a successful program. This year alone we have doubled our number of students and increased our theater supplies (costumes, props, scenery). We also had the most successful year as far as attendance and profit. This year the theater club had a little over $200 to spend on productions. With ticket sales, fundraising and donations we will begin the 2013/14 season with just over $5,000.

Even though the economy is improving, we are still in need of financial support. Because of state requirements for students, performing art classes are being cut from the schools. Next year, choir at Poston Butte will be cut because of low enrollment. To keep programs like mine from being eliminated, I need to maintain at least 20 students per class and 50 after school. In order to keep my numbers up to ensure my program continues, I have to plan events that will get the interest of the students at this school so that they will want to join theater.

It is for this reason that I am asking for a $10,000 donation to be able to help support our program. Not only will this money improve our theater in ways such as new lighting and sound equipment, it will also benefit our trip to New York. Being able to promote next year that the theater students are going to New York will double my numbers, ensuring the theater's survival for the next four years. The money used for this trip will go directly to the students so that the financial burden is not completely on the parents' shoulders. The cost for the entire trip is just over $1,600 per student. Along with airfare, room, and meals, this trip will include three Broadway shows, interaction with cast and crew, sightseeing, and workshops that allow students to learn what it is like to work in the business. It is an opportunity that most of these students would never get. My goal is to cover close to 40% of the students cost, fundraise through my booster club for 30% and have the parents responsible for the final 30%.

It is an important part of a child's education to be able to take classes dealing with fine arts. Studies have proven that students who take performing art classes do better on tests, are more likely to graduate, and are less likely to be involved in illegal activities. This money will make it possible for present and future students to take advantage of a funded program whose goals are academic success, after school activities and college scholarships for my students.

Thank you for your time and commitment to this project and program.

Sincerely,

Kyle Spitler
Theater Director

Mammoth Hayden ASA Softball League

Mammoth Arizona
[redacted]

April 23, 2013

Dear PSCO and Sheriff Babeu,

We are writing you on behalf of the Mammoth Hayden ASA Softball League. Our league is made up of girls ages 3-16 from the communities of Mammoth, Dudleyville, and Hayden. Our girls love to play for the town of Mammoth and girls come from as far as Hayden and Oracle to play in and for our Town.

As we are sure you know, our league believes in positive activities to prevent negative behavior. When the girls play on our teams we are teaching them team work, community involvement, and leadership. The teen pregnancy rate in Arizona is one of the worst in the country, and by keeping our girls active in the community with sports we hope to help change that.

Unlike other cities and town, we do not charge our players $100 and higher to play softball. Our fee to play is only $40 per child and if a parent has more than one child we drop the rate to only $40 for the first and $30 for each additional child. We try our best not to turn any child away who wants to play, and includes coaches and the league sometimes paying those children's fee.

Because our fee is so low, we hold multiple fundraising events and rely on the support and donations of local businesses in the area. Our league has numerous expenses that we have every season (i.e. lights$400, water $70, umpires $300, uniforms $1500, concessions $600 & equipment as needed.)

This year is especially hard as all our teams need new equipment. Since we do not purchase all new equipment every year, (with the only exception being balls and chalk for the games) the equipment is in complete disrepair. We have to purchase new catchers equipment for all teams costing the league

approximately $850.00 right off the top. Our league also needs two pitching machines, priced at $400.00 each, although we may have to make it though the season with only one.

Right now we have approximately 34 girls actively holding practices now with games to start on May 1st with another 24 girls to start in May. As you can see just the cost of running the league games always leaves us in the negative, and this year it's especially rough since the league needs equipment. We are requesting help from every business and person in the community. We would like to request $2000.00 in Rico funds. Those funds will be used to purchase equipment needed to help us continue working with the girls in the Pinal County area, keeping them safe and out of trouble.

We hope to be able to continue offering softball as community summer sport for our girls, and with donations and funds from organizations and businesses in the area we are able to work towards that goal for many years to come. Thank you for your time and consideration.

Thank you for your support

Sincerely,

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

RE: 2013 Domestic Violence Conference

Dear Sheriff Babeu:

On behalf of the Pinal County Domestic Violence Coalition, I am asking you to consider being one of the sponsors of our 2013 conference.

The annual domestic violence conference typically has 150 to 200 participants each year. This is an important training session that is affordable and available to law enforcement, criminal justice agencies and social service agencies. As you know, domestic violence is still prevalent in this county and our Coalition is an important avenue to disseminate information and training.

Participants virtually unanimously agreed that last year's conference was the "best ever". Much of the reason we had such a successful event last year was due to our ability to fund nationally recognized speakers who were dynamic and engaging. Sponsorship will help ensure that we maintain knowledgeable and talented presenters. Besides our own county, we have people attending from Maricopa and Gila counties. We want to continue providing a superior conference and develop it to be recognized as the best in Arizona.

Please consider making a financial contribution, possibly from RICO funds. We would be proud to recognize PCSO as a sponsor this year. Contributions are payable to our fiscal agent, Against Abuse, Inc. The donation can be sent to Against Abuse, Inc. P.O. Box 10733, Casa Grande, AZ 85130. Against Abuse's Tax ID number is 94-2856310.

We would appreciate a response in the near future so that we can estimate our budget as we continue planning. Even if PCSO is unable to sponsor the conference, we would appreciate your assistance in providing time and expenses to assist as many of your staff to attend as is possible. We feel it will be time and money well invested.

Thank you for your consideration for this request.

Sincerely,

Honorable Voyles,

I am requesting a check in the amount of $1,000.00 payable to Friends of the San Tan Mountain Regional Park, utilizing PCSO State RICO funds (cost center 2469).

The San Tan Mountain Regional Park is holding their annual Haunted Howl-O-Ween Bash. They believe, as we do, encouraging the youth to volunteer provides environmental education for them resulting in their maturing with an appreciation of their surroundings at the park.

By providing a supervised and safe environment, during events at the park, keep the young adults off the streets and by making the decision to volunteer keeps them from gangs and drugs.

Thank you for your support. If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Dear Sheriff Paul:

Thank you for taking the time over the busy holiday weekend to speak with me.

Please consider our request for $1,000.00 of RICO funds to support Friends of the San Tan Mountain Regional Park in bringing Haunted Howl-O-Ween Bash to be held at the San Tan Mountain Regional Park October 26 2013. It is a free event to the public except for the cost of park entry ($6 per car). Last year we had 1,500 guests. We have a trick or treat trail, spooky trail, haunted house, raptor presentation by Phoenix Zoo, costume contest and so much more.

The Friends of the San Tan Mountain Regional Park work to protect and preserve the Park's archeological, historic and traditional cultural areas. This is an annual event hosted by Friends. It is one of our largest events of the year and we anticipate more than 1,200 to attend. The event is not only fun but educational while providing a safe environment for families. This year the Phoenix Zoo will be the main show.

This event has grown over the years with many families returning annually and it is a great opportunity to encourage the youth to volunteer. This year we have several youth groups from local schools that will be volunteering. One of the local schools will be the entertainment for the haunted house exhibit.

We strongly believe by encouraging volunteerism and providing environmental education for the youth results in them maturing with an appreciation of their surroundings: for instance – the Park. By providing a supervised and safe environment, Haunted Howl-O-Ween Bash and our other smaller events keep the young adults off the streets. And, if they are volunteering, they are making the right decisions to also stay off of drugs and out of gangs.

Your support of this event is greatly appreciated.

This gift is restricted and designated for Haunted Howl-O-Ween Bash only. We are a 501(c) 3 corporation. Our Tax ID # is [redacted]

We want to contribute to helping San Tan Valley youth become responsible citizens. Will you help us with our mission?

Respectfully yours,

[redacted]
President

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Dear Sheriff Babeu-

Hello. I am writing to ask for your help and support. I am currently participating in the Florecita's program through the League of Mexican American Women. Florecita's is a program that focuses on teaching young Mexican-American girls, preparing to celebrate their 15th birthday or Quinceanera, civic responsibility, encourages involvement in community affairs, teaches cultural awareness and tradition and raises funds for their 501c3 Scholarship Program. This is all accomplished through meetings, social events, volunteerism, celebration (both religious and traditional cultural celebrations) and networking with other youth and business and professional leaders within my community.

From April through September I will have volunteered to help raise money for cancer research, prepared and served food to the homeless, prepared and served meals to families living in the Ronald McDonald house, interacted with and educated impoverished children, making and distributing Bens Bells, written and given speeches to community groups, interacted with business and community leaders, learned how to Waltz with my father and learned what is expected of me as a civic minded, respectful and responsible Mexican-American Woman and productive member of my community. This journey culminates with a celebration at the league's annual fundraising ball, the Fiesta En Xochimilco.

Part of my responsibility as a Florecita is to raise awareness and funds for the League of Mexican American Women's Scholarship Fund which provides post-secondary scholarships to low income and deserving students who attend in-state colleges and universities and are pursuing their goals in higher education.

I am coming to you to ask you for your help and participation in this worthwhile community endeavor by sponsoring an ad for our annual program and/or by purchasing tickets for our annual Baile en Xochimilco, the LMAW's largest scholarship fundraising event each year which will take place on the 7th of September 2013 in the Grand Ballroom at the Casino Del Sol.

The cost for a full page ad is $300.00 and a half page $200.00. Both are fully tax deductible. You simply fill out the attached form and provide me all you would like included in your ad, including any graphics and/or messages, with a check made out to the League of Mexican American Women. I will provide you a copy of the form with our federal tax ID number for your records. In return you will receive a copy of the beautiful annual program (your add included), two tickets to the Baile En Xochimilco, the satisfaction of knowing you are supporting a wonderful organization providing support to young college students and a tax deduction.

Tickets for the formal scholarship fund-raising ball or Baile En Xochimilco are $30.00 each or $300.00 for a table of 10. Again, your donation is tax deductible and your check should be made out to the League of Mexican American Women. I will personally collect the payment and deliver your tickets and invitations to you prior to the ball.

I have attached a letter from the advertisement and dance program committee with their personal request for assistance and the add sponsorship form. I have also included a page that includes information about the league. Additional information can be found by visiting www.leagueofmexicanamericanwomen.org, by contacting me at [redacted] or by contacting one of the ladies listed on the attached letter (please mention me if you contact them).

I want to thank you in advance for your gracious support and for helping me accomplish my goals.

Warmest Regards-

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Dear Sheriff Babeu,

Florence Unified School District supports and benefits from the **not MY kid** program, which is actively involved in providing educational support at each of our schools, and we are respectfully asking for your support too in the amount of a $6,350.00 donation to the program.

As you recall, the **not MY kid** program assists students and parents in making positive choices regarding effective identification of substance abuse, and gives them strategies for creating a family drug prevention plan. Available topics include: Substance/Alcohol Abuse, Eating Disorders, Internet Safety, Safe Relationships, and Depression and Self-Injury; each parent Substance Abuse presentation provides home drug test kits for all participants.

I am asking for your support as we unite in the **not MY kid vision**, *to have families and communities be healthy and strong and avoid destructive youth behaviors.*

The not MY kid program is a nonprofit organization devoted to the prevention of destructive behaviors. They are represented by young adults who have overcome addictions/behaviors. These young people share their personal stories with middle and high school students, and are able to "connect" with them. Without reservation, Florence Unified School District supports their endeavors.

Hi my name is Larry Ramirez. Youth athletic programs provide excellent opportunities to teach our children about teamwork, trust, respect, and responsibility. I am the Director of Community Schools for the Mammoth-San Manuel Unified School District. We run youth athletic programs such as soccer, flag football, basketball, cheerleading, wrestling, and swimming. The communities that participate include Mammoth, San Manuel, Oracle (Oracle has their own Community Schools department), SaddleBrooke, Eagle Crest, Redington, Aravaipa, Dudleyville, Hayden, Winkelman, Kearney, and the rural areas in between.

A typical season for us is two weeks of practice, five regular season games, and an end of season tournament. Last year we had over 250 children from pre-Kinder through the 6th grade participate in our soccer program. There are approximately 800-1200 people that attend these family events over the course of a given day. Games (depending on activity) are held in Mammoth, San Manuel, Oracle, Hayden, and Kearny.

Community Schools has been able to do a sliding scale of $35 for the first child, $30 for the second, and $25 for the third. This helps keep it affordable for the larger families. Although we are part of the Mammoth San Manuel Unified School District, Community Schools receives no government funding. All activities that we provide are through registration fees and donations. We are in a very economically depressed area with some of these areas being as high as 85% participation in free and discounted food programs at our schools. Our athletic programs serve hundreds of children and families in these communities. Costs have risen. We are looking to raise a total of $11880.00 but would graciously accept any amount you would be able to help with.

Thank you again!

Sincerely,

Sheriff Babeu,
We want to express our deepest appreciation for the Ricco Funds you supplied last year for Polarfest. Each year, by putting on such a great community event, we are giving the kids in Pinal County something to do that is fun and exciting. It gets the kids off the streets and gives them constructive activities to do in our Community. We use High School kids from the local schools as volunteers. Each High School Student has to do 40 hours of community service. By volunteering at the event to get those hours, it is giving the Students a positive experience and showing them that volunteering can be fun. When these kids are kept busy doing positive activities, it alleviates the negative activities in our community.
The funds you provided are used to bring in the Carnival Rides. 3 rides cost $5000.00 and the more money we get from Sponsors, the more rides we can bring in. The entire event cost approximately $10,000 to $12000 to put on. With the help of Sponsors like you, we are able to bring this event together. We used the funds you gave us last year for the carnival rides.
This year we asking for more money, due to the fact that with the economy, we had less vendors pay to get in (the vendor fee helps with expenses) and the expenses' for the attractions' have gone up. An example of this is the snow use to cost $700 and now is $1200.
We would appreciate if you could up the donation this year to $2000 to $3000 to help cover the increase in expenses at the event.

Thank you,

On Dec. 14th, the largest event in the San Tan Area will be taking place, PolarFest. This is the 11th year that I have done a winter event here in the San Tan Area with up to 5000 people attending these events. The activities that will be going on, last year we had 148 arts, crafts, and business vendor booths. In years past we have had up to 17 non profits who make money off this event for their organization, ie Booster Clubs, PTO's, American Legion, Churches, etc... They get a free booth and all the money they make they get to keep. The Helicopter rides usually go non stop with giving rides to people. This year we are featuring a giant hill of snow so people can go sledding, I supply the sleds.

The Pinal County Sheriff and the Pinal County Attorney Office supply a prescription drug drop off location. Information on Drug control and the safety of using drop off locations is supplied by the Substance Abuse Coalition. We are collecting old cell phones to be refurbish for inbound seniors in our area to use for 911 phones. Rural Metro provides fire safety and any other pertinent information to keep the San Tan Area safe. We are offering $1.00 off wrist bands for any one who brings in a can of food and the food will be donated to a local Food Bank. A live band, D.J. and local talent will preform. Different carnival type foods are

supplied by the non profits.

The goals of Polarfest are to bring something to do in our community, to feature local businesses, and to pull people in to shop from these local businesses. It is very important to support the businesses in Pinal County so our Communities can prosper and grow. We need vendors and sponsors in order to put such a large event on. The more sponsors and the more vendors, the more activities can be supplied.

We need Sponsors to help pay for the snow this year. If you know of anyone who could sponsor $1000 for the snow, we could put a banner up by the Sledding Hill and/or they can set up a booth by the slide. We can list them as a Sponsor on our flyers that go home with all the students in Florence, Coolidge, and Combs Schools. Any help would be appreciated.

Florence, AZ 85132

Dear Mr. Babeu:

Tri-City Archers Association ("TCA" or the "Organization") is a 501 (c) 3 corporation and an Arizona non-profit that operates an archery facility in San Manuel, Arizona. TCA includes a subsidiary group known as "Desert Fox Youth" which handles many programs for the youth.

Our income depends on archery tournaments, sponsorships and raffles. The range currently has water, septic and a secure building to store its equipment. Presently, we have two major needs which are the renovation of the restroom facilities, bows and miscellaneous archery supplies for its youth.

We are here to provide a place for the Tri-City Communities youth to participate in archery events as well as host state, national and international tournaments. It is our belief that we can bring attention to our community which in turn could bring commerce which we badly need. Our members do most of the labor needed to maintain the field rounds, practice range and broad-head ranges.

Archery is a useful alternative tool in keeping our kid's gang, drug and alcohol free and gives the Tri Community an outdoor recreational option. We have helped the Boy Scouts of America earn badges and worked with schools that require archery as part of their education program. Our archery range has been used as therapy for stressed related individuals.

TCA has a proven track record of safety, education, charity and excellence of youth activities in a gang, drug and alcohol free environment for the past twenty years. Our list of nationally renowned sponsors and our affiliates are a testimonial to that fact. Please give consideration to this request of a contribution to a vital mainstay of the Tri-City Communities.

We thank you for taking the time to read our letter, and for your support. We would like to invite you to visit our facility, and meet with our youth participants. Please feel free to call us at any of the numbers above with any questions or if you would like to visit. We hope you can donate $2000.00 to help us with our current needs but anything you can do to help will be greatly appreciated.

Sincerely,

Dear Sheriff Babeu,

I am honored to serve as the District Chairman for the Picacho Peak District, Grand Canyon Council, Boy Scouts of America. I believe you will agree that Scouting is truly an important part of what makes America great. The principles that Scouting teaches are as relevant today as they were in 1910. We have an opportunity to direct young men into a program that stands for what is good and right in today's world.

Each year, the Friends of Scouting Campaign calls the business community and individuals to join hands with the Grand Canyon Council to help ensure that a quality Scouting program is delivered to over 55,000 young people throughout the state.

Sheriff Babeu, I know budgets are tight these days, but I hope your office will join me in making sure our young people have an opportunity to benefit from the Scouting program. Recognizing your great work and presence in the Pinal County, please consider a contribution of $ 3,000 for this most worthy cause.

Enclosed you will find our campaign brochure highlighting many of the Council's successes and a pledge card. After reviewing it, we think you will agree that the Grand Canyon Council is truly making an impact in our community. I will be more than glad to visit with you and tell you more about all the great things the Boy Scouts are doing to serve our community.

First Assembly
A church connecting faith and life

June 24, 2013

Dear Sheriff Paul Babeu;

My name is Jacob Colon and I am a Youth Pastor here in Casa Grande Arizona at the First Assembly of God Church located on the corner of Casa Grande Ave, and Kortsen Rd. My wife and I have been serving here for three years to change the lives of teenagers all across this city. We believe that if we can change the lives of our students they in turn have the opportunity to change the world.

We have two regular Wednesday night services designed for students that range from sixth grade through college aged students. We have seen many great things come from these services and we can physically see the change that is happening in the lives of students. We have seen students become confident in who they are and have watched them start to live out the dreams they have for their lives. We have also seen students who were deep in the gang and drug life totally do a hundred and eighty degree turn around. They have left the gang life and put down the drugs and are now helping to reach the community they once were affecting in a negative way. On regular, we have seventy students that we reach on a weekly basis.

This past April we had an opportunity for a few of our students to participate in a program called Fine Arts. It was a venue where the students were able to perform in a contest among all the churches in Arizona. They were able to perform dance, songwriting, instrument playing, singing; along with speaking and creative arts. This was the first year that our students have ever participated in anything like this. Through the course of the event we are proud and honored to say that we had students that achieved great success and were awarded the level of Superior with Invitation. They were invited to Orlando Florida on August 5th, 2013 to compete on a national level with thousands of other students. We are amazed at the lives our students are living. They are truly changing a community and the world they live in.

We are seeking a partner to help us reach our goal to participate in the program in Orlando Florida on August 5th, 2013. We are asking for a $5,000 dollar donation to get our students to a new level in their lives. This money would go directly toward travel expenses and would be spent solely on this project. We believe that with your help we can continue the growth of success in our community's students, along with showing future students that they have the ability to change and be a part of something bigger than they ever dreamed was possible.

Sheriff Paul, I greatly appreciate and thank you for the heart and concern you have for not only our community but especially for the students that live in our community. Thank you for all the support you give to this community and the lives you have changed. I am honored to have a Sheriff's office like the Pinal County Sheriff's Office because you are true and you are affecting the world in a positive way. Thank you. We ask that God bless you greatly and that His protection follow you and all you serve.

With great respect,

Pastor Jacob Colon

Dear Sheriff Babeu:

The Pinal County Juvenile Court Community Advisory Board (CAB) is a group of volunteers who work with the courts to help evaluate and enhance services to young people.

The common interest is to ensure that Juvenile Court practices continue to reflect the best interests of youth, families, victims and the community. The group does so through a variety of volunteer based programming and special events.

Your sponsorship has been outstanding, assisting us with a number of programs. From our annual Character Counts Essay Contest to the KIDS WHO CARE program, these all take a great deal of organizational structure, volunteer hours and financial sponsorship.

We are happy to share that the CAB was chosen by the Arizona Governor's Commission on Service and Volunteerism as the 2013 Small Organization of the Year in April. We know this is a reflection of the support of those such as you.

Your past RICO contribution of $5,000 was a major source of financial support for the CAB. ***Thank you for your commitment to the work we do and the young people we serve.***

On behalf of the CAB, member Carson McWilliams and I respectfully ask for your consideration of $5,000.00 to continue our programs in the coming year. I have included an outline of some of the events and programs we wish to do.

Carson and I would be happy to meet with you should you have any questions.

Sincerely,

Pinal County Community Advisory Board (CAB)

The Community Advisory Board (CAB) is a group of citizen volunteers representing diverse professional, cultural, and community backgrounds. Each person is appointed to the CAB by the Presiding Juvenile Court Judge. CAB members currently represent the areas of: Casa Grande, Tri-Community area, Superior, Florence/San Tan Valley, Apache Junction/Gold Canyon, Eloy, and Gila River Indian Community.

Youth Summit:

The CAB created an event last year to provide summer programming to probationers countywide. This has turned into a very successful opportunity to educate the most at-risk youth on subjects of alcohol, drugs, gangs, health and safety, decision making, mental and personal well-being, domestic violence and victim rights. An average of 75 probationers attends the event which includes keynote speakers, workshops and information exhibits. There is no cost to the youth and the CAB has organized community support to even provide transportation to outlining areas such as Maricopa, Eloy, Arizona City and Apache Junction. Volunteers have even barbecued and served lunch for the youth and chaperones as a way to be cost effective.

Pinal County Adoption Day:

The CAB is a proud sponsor of a nationally recognized event during National Adoption Month each November. Now in its second year in Pinal County, the courts support this program by opening up the courthouse on a Saturday, providing adoption hearings throughout the morning. Over 200 people joined our event last year to witness 32 children being adopted into permanent placement. A celebration was held at the conclusion of the morning with children activities, food, information booths and special gifts for each family. This is a collaborated effort between our department, county attorney's office, the clerk of the court office, Child Protective Services, Attorney General's Office and several private adoption attorneys.

Incentive Program:

Pinal County Juvenile Court and the CAB know the value of positive reinforcement. That's why they chose to sponsor the Probation Incentive Program. Working with probation and detention officers, the CAB came up with a plan to help reward juveniles for good behavior over and above what was expected of them. This program also supports those probationers or detainees that receive their GED and/or graduate from special programs like Drug Court and our DADDY Academy for expectant or new teen fathers.

Character Counts:

CHARACTER COUNTS! teaches the Six Pillars of Character: trustworthiness, respect, responsibility, fairness, caring and citizenship. The CAB sponsors an essay writing contest to give students the opportunity to share their personal knowledge of good character. The contest has grown from 30 entries to over 2,000 this past year. This is open to all children K-12 in public, private, charter and home schooled as well as probationers and detainees at our Youth Justice Center. The competition winners appear at a May award ceremony at the Courthouse in front of family, teachers and school administrators.

KIDS WHO CARE Program:

This community (restitution) service program illustrates compassion by helping others. Probationers and detainees have made scarves for cancer survivors, blankets for every CASA child in Pinal County, bracelets for newly adopted children and slippers for local hospitals and shelters. Volunteers teach probationers and detained youth how to make these items throughout the year. There will be new projects that will inspire our youth to help others while repairing the harm they have caused to our communities.

Scholarship Program:

In the past, seniors who have been involved with our department through probation, detention or diversion has been able to apply for small educational grants. We have expanded to assist students who are attempting to attain their GED but needed assistance to pay for the GED testing fee. This provides students the opportunity to go to college, a trade school or receive specialized training in a field of their choice. The incentive is that they must be successful in their responsibilities to the courts, including being drug-free.

Many have donated their time as volunteers in the community. They believe in hard work and commitment, sacrifices and team pride. They promote strong characters on and off the field.

Sheriff Babeu,

I am writing you seeking assistance in helping the AZ QuickSilver 18 Gold fast pitch softball team in updating their equipment and helping with costs in getting the team to College Showcase Tournaments.

A little information about our team, we are an 18 Gold girls fast pitch softball team. Our girls practice three times a week for 2.5 hours each practice. This is a great bunch of girls whose hard work and determination on and off the field have proven to be very successful. The girls are juniors and seniors carrying a 3.0 and higher GPA, and are all working towards getting scholarships to play college ball. Many of the girls are involved in other school activities and many have donated their time as volunteers in the community.

The importance of going to Showcase Tournaments like "The Showcase in the City of Lights" is to get these girls seen my college recruiters. This fall all 5 of our departing seniors are going to college on softball scholarships. Our coaching staff provides all their time voluntarily and they receive no monetary compensation for their time. At one time three of the coaches had girls on the team and their love of the game and their desire to help see these remaining girls graduate with scholarships has brought them back for another strong year of coaching.

We are seeking sponsorship in helping to update some of our equipment and to help with the registration fee and expenses for the City of Lights Showcase in October and the Southern California National Showcase in November. Some of the fees that our team is responsible for is Showcase registration fees that range from 500.00 – 1100.00 and weekly use of field fees for practices.

This is a great bunch of girls who have set a goal for themselves and are working hard on the field and in the classroom to reach that goal. I hope that you will be able to assist us in making these showcases possible for the girls and their families. I have witnessed firsthand the importance of keeping our youth busy and supporting them in their goals Please feel free to contact me with any questions

Thank You for your Consideration,

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Dear Sheriff Babeu,

My name is Albert Lizarraga, President of the Oracle Little League and I am writing on behalf of the Oracle Little League. As you may already know Oracle is an unincorporated town inside your county limits. Funding sources can be few and far between. The Oracle Little League is currently seeking donations to help improve the experience and safety of not only our residents but the surrounding residents that play here as well. The Oracle Little League field is in need of many repairs and updates. We have been unable to host an All Star Game here due to some safety concerns. By helping secure donations prior to next season we are hoping to have the field up to standards and be able to provide the playing environment that our children deserve.

We are looking to improve several things here and would like to describe a few of them to you. The lighting available at the field needs to be updated. We are looking to place commercial style lights like many of the surrounding communities have. Most of them we have are burned out or out of services. Along with this we are hoping to repair our scoreboard which has not worked for several years. We are also looking forward to being able to purchase new equipment bags and equipment for each team. Many of the ones we have are torn and barely serviceable. To improve on the safety of the teams we need to repair fence around the fields and update the dug outs. Another goal we have is to ensure that each team has a quality first aid kit available with the coach for practice and games and one available at all time on site. Along with this we are looking at the possibility of training all coaches and assistants in First Aid and CPR. We know that being in a rural community having a staff of competent First Responders will help increase the survival if there is ever an incident with players, coaches, or friends and families at our facility.

The Oracle Little League and the constituents of your county would like to thank you for taking us into consideration for any assistance that you may be able to provide as you have with other areas here in wonderful Pinal County. We are looking forward to being prepared for next year's season.

Dear Sheriff Babeu,

The San Tan Youth Football League is a 501(c)3 organization and we just celebrated our 12th anniversary this month. We are excited to share with you some important information that makes a difference in the lives of over 900 children from the age of 5 to 13. We are a year round organization that offers Fall and Spring Tackle Football and Fall Flag Football to the youth of Pinal County.

The San Tan Youth Football League is committed to providing an atmosphere and experience that emphasizes fair play, accountability, responsibility and good citizenship. Our Coaches and Managers are all volunteers and put their heart and souls into this effort year after year. A common theme taught to all of these young people is the importance of school, good choices to include an anti drug and alcohol message, anti-bullying and developing good health habits.

With this message in mind, I am asking you to please donate $5000 dollars to our league from the criminal enterprise money that you seize. This money will help the league to pay for lights, fields, uniforms and offer scholarship opportunities to under privileged families and youth.

Sincerely,

Adam Neville-League President

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Dear Paul:

The mission of the Boy Scouts of America has been to prepare young people to make ethical and moral decisions that lead to positive choices as adults for 102 years. The success of this mission was recently reaffirmed by the 2011 Survey of Arizonans Survey where 84% of respondents felt that Scouting taught them to be honest and 95% felt that Scouting was still an important influence in their lives at least 10 years later. More than a century after our founding Scouts are known as honest, trustworthy leaders and self-reliant individuals.

Scouting has taught young people since 1910 to "help other people at all times". This lesson is evident every day. In the summer of 2011 when wildfires forced the closure of the Catalina Council's (Tucson, Arizona) summer camp the Grand Canyon Council opened our Camp Raymond to these Scouts so that their summer camp experience would not be lost. Another example of Scouting's principle of helping others would be Eagle Scout Spencer Zimmerman. Spencer is an avid triathlon participant. Last year he accomplished the incredible feat of completing a triathlon (500 meter swim, 12 miles bike ride, and 3.2 mile run) with his friend Dayton Hayward in tow. Dayton, by the way has cerebral palsy and is wheel chair bound.

The power of Scouting has set the moral and ethical compass for some of our nation's great leaders over the past century. A few examples of those who credit their success to their Scouting roots are: Arizona Secretary of State Ken Bennett, Arizona Attorney General Tom Horn, U.S. Congressman Jeff Flake, President Gerald R. Ford, U.S. Coast Guard Vice Admiral Manson Brown and Stephen D. Bechtel, Jr., Retired Chairman of the Bechtel Corporation.

Your support of Scouting in the Grand Canyon Council in 2013 will insure that the lessons that were begun in 1910 will have a positive effect on countless generations.

Thank You!

Thank you for donating $3000 to the Grand Canyon Council's – Friends of Scouting Campaign. Campaign. Your gift will benefit the Scouting programs in the communities of Casa Grande, Florence, Coolidge, Arizona City and Maricopa. Your generosity helps us to prepare Arizona's young people for their future.

Best regards,

Dear Mr. Walsh,

I am requesting a purchase from PCSO State RICO funds (Cost Center 2469) in the amount of $8,000.00 payable FHK Enterprises, LLC for The Crusader Elite Body Conditioning apparatus for our Pinal County Sheriff's Office fitness center.

This equipment will train 4 (up to 6) participants at one time as it combines the best of many proven training techniques such as functional training, high intensity training, circuit, Cross-fit, interval, adaptive, body weight training and adds two significant features: the ability to self spot which minimizes the risk of injury, and the most amazing aspect is creating a "therapeutic effect" for many of our bodily systems.

Maintaining good physical fitness is vitally important for members of my staff and the public. We have seen the overall health of our staff improve, which in turn improves their endurance, motivation, self respect and most importantly – their job performance.

Attached you will find the quote from FHK Enterprises, LLC.

Dear Mr. Walsh,

I am requesting a check for $2,000 of PCSO RICO funds (Cost Center 2468) for the Casa Grande Pony League. This will cover the Grand Slam Sponsorship and additional monies will help the league purchase needed equipment for the entire league.

This will allow approximately 150 children ranging from the age of 5 years old to 15 years old to participate in the American favorite past time of Baseball.

The first $1000.00 is the Grand Slam Sponsorship which allows the sponsors to have a 3' x 8' vinyl banner on all of the games played during the seasons. Also the sponsor will receive a Plaque, Opening day Recognition and the leagues Gratitude. The other $1000.00 will help the PONY (protect Our Nation's Youth) League by needed equipment for the entire league.

Honorable Lando M. Voyles
Pinal County Attorney
30 N. Florence Street, Bldg D
Florence, AZ 85232

Dear Lando,

I am requesting a check in the amount of $10,000 from PCSO State RICO funds (Cost Center 2469) to the Arizona Justice Foundation Health & Safety Fund. Our Sheriff's Office is developing an active shooter training video to be used for our PCSO staff, local and state law enforcement and for school educators. In addition, we shall use these funds to sponsor training for volunteers within the Sheriff's Office, such as our Posse, Search & Rescue and Citizens on Patrol.

The grave threats from armed gunman who commit mass killings have increasingly significantly in recent years. Though these tragedies have not struck Pinal County, it may only be a matter of time. I want to ensure that our local law enforcement, as well as our local teachers and school administrators are fully prepared to best respond to this threat.

There are presently only 104 Dept of Education funded School Resource Officers (SRO's) in our 2,200 Arizona schools. How do we best respond to this threat? There are best practices for teachers, school administrators and students that will help to mitigate loss of life. Most schools are inadequately prepared to respond to an armed gunman, yet this video will be designed to offer the recommended reaction for likely scenarios.

Recently, the Pinal County Sheriff's Office organized the largest active shooter training scenario in state history. We included all local Police, Fire, EMT's, local hospitals, school districts and students. The scenario was realistic and enhanced our coordination with all of our partners who would be involved in the response to a real world shooting.

Even though this was a large scale rehearsal, only a small fraction of school teachers, school administrator and students were involved. This video would great benefit every teacher and school administrator. Thank you for your partnership to best support school safety.

Respectfully,

Honorable Lando M. Voyles

Florence, AZ 85232

Dear Lando,

I am requesting a check in the amount of $15,000 from PCSO State RICO funds (Cost Center 2469) to the Arizona Justice Foundation MWR Fund. We're planning several events for PCSO staff, volunteer and their families to recognize and appreciate for their significant contributions to our Sheriff's Office. Awards and commendations will be presented to staff and volunteers for Meritorious Service, Life Saving, Valor, Purple Heart (injured in the line of duty) and Medal of Honor (heroism while eminent threat to their own life). The funds are used to purchase awards, event supplies, facility rental costs, food and promotional materials for the events.

These are official PCSO sponsored events for our nearly 700 full time employees, 350 volunteers and their families. With decreasing budgets, we can no longer afford to sponsor these staff appreciation events out of our general fund budget, yet the events remain essential to appreciate staff and volunteers in front of their friends & families. These family oriented appreciation events will help build a stronger organization by publicly showcasing the great work our staff does on a daily basis for our nearly 420,000 citizens. When staff and their families feel valued and appreciated, they will in turn work harder and their job performance increases. This discretionary effort available by our staff to do a bit more that what is required by their job description is what we are looking to harness.

We will also have our youth explorers on hand to educate and recruit other youth (ages 14-21) to join our youth Explorers. As you know, our Explorer Post 1875 provides 75 Pinal County youth law enforcement training, which clearly has a resulting positive impact to reduce local juvenile crime (drug use, gang activity, vandalism, theft and graffiti) that is often prevalent in unincorporated Pinal County. We have one of the most successful youth Explorer Posts in Arizona, where we won the statewide competition and Lorenzo Teyruya was named Youth Explorer representative for the entire United States. Clearly we are on the right track and we're making a significant positive impact in the lives of Pinal County Youth.

I certainly hope that you will be able to join me at these events to thank my staff, volunteers and their families for their contributions to improve public safety for our Pinal County families.

Respectfully,

Honorable Voyles,

I am requesting a check in the amount of $1,001 payable to Maricopa First Ward, utilizing cost center PCSO State RICO 2469.

The Maricopa First Ward will have about twenty girls attend camp this year. The girls will learn and strengthen their confidence and decision making to stand strong in the midst of negative influences. They will learn how they can influence others in schools and reach out to others to make good choices.

They are a non-profit organization and the funds will go toward fees, tents and camping supplies where many of the girls are unable to afford. Teaching these young girls to not give into peer pressure can help them become strong advocates for drug-free communities.

THE CHURCH OF
JESUS CHRIST
OF LATTER-DAY SAINTS

MARICOPA 1ST WARD
MARICOPA ARIZONA STAKE

Dear Sherriff Paul Babeu,

I would like to respectfully request funds to be donated to the young women of the Maricopa First Ward from the Church of Jesus Christ of Latter-day Saints. We enjoyed having you at our fundraiser fun run and it was an honor to have you be the one to announce and start the race. We appreciated your pledge to donate $1,001 to our girls and would like to be able to receive these funds.

We have around twenty girls that attend Girls Camp every year. This is a time for them to leave all electronics behind for a week and work on strengthening their confidence and decision making abilities. One of the main focuses of girls camp is to teach them how to be strong individuals that will not give into peer pressure and that will make positive choices. They attend classes, participate in group activities, and form bonds that help them to have the confidence they need to stand strong in the midst of negative influences. They are able to meet other girls from Maricopa and get to know them so that as they attend school together, they can be an influence for good in our schools and reach out to help others to make good choices.

During this week the girls camp in tents, help prepare and cleanup food, keep the facilities clean and this year they are contributing to a service project to create paths and define campsites. As I'm sure you would agree, it is a great opportunity for every teenager to get out in and connect with nature. We are a non-profit organization so the funds donated to this cause will go entirely to the fees and needs for the girls at this camp. The funds will be used to pay for many of our girls that are not able to afford to go as well as tents/camping supplies that will be used year after year.

Sherriff, we appreciate your consideration of this matter and would once again like to thank you for coming out to start our race. We would love to see you there again next year!

Sincerely,

Honorable Voyles,

I am requesting a check in the amount of $2,500.00 payable to Florence Baptist Church, utilizing cost center PCSO State RICO 2469.

The Florence Baptist Church supports families in Pinal County with food, cloths, counseling of teen pregnancy and rehabilitation from drug and alcohol addictions. They have classes with nutrition and early childhood. They are also raising funds for a substance abuse program and high school diploma classes.

At least 75% of substance abusers are associated in incarceration, gangs, lack of education and low social and life skills. I support education programs and employment reentry programs through community outreach to provide better citizens and families in Pinal County

If you have any questions regarding this matter, please feel free to contact me 520-866-5133.

Thank you for your support.

Dear Sheriff Paul Babeu,

We are writing you in regards to our school club at Casa Grande Union High School. Our clubs name is Youth Alive: The Awakening. We use this club to reach out and help give students a safe place with a positive atmosphere. A little background on how we began, a junior at CGU, wanted to start a club where students have an opportunity to see change in their lives, through a relationship with God. This students' heart was to see his campus changed by giving positive outlets to those who are hurting and struggling. When we had our first meeting, we started with 9 students which quickly grew into the mid twenties consecutively. Every week we are seeing brand new faces that are hearing of the exciting/life changing things Youth Alive is doing. We have many opportunities to continue to do great things with this club, such as: going to concerts that are uplifting, conferences that enhance each student individually, camps where students get to interact with their peers from all over Arizona as well as, community outreaches. One thing that we have found in pursuing these great activities is a lack of funds. We have done a couple of fundraisers since we have started this club in February of 2013, which were beneficial. However, the clubs heart is to be able to support financially any student wanting to attend these events. The clubs goal this year is to raise 5,000 dollars which will go toward these events as well as, a baccalaureate for the seniors of 2014. We understand that this amount may exceed what you can offer but any donation would be greatly appreciated. Thank you so much for your time and consideration. We look forward to hearing from you.

Pinal County Sheriff's Office

October 9, 2013

M. Lando Voyles
Pinal County Attorney
30 N. Florence Street, Bldg D
Florence, AZ 85232

Dear Lando,

I am requesting check in the amount of $5,000 from PCSO state RICO funds (Cost Center 2469) to the Pinal Council CASA/Foster, Inc. The Pinal County Sheriff's Office would like to strengthen our partnership with the Pinal Council CASA/Foster, Inc as they provide critical support and resources to an at-risk population of Pinal children. They host numerous community and educational events and even an annual Christmas party, where they provide a positive atmosphere to celebrate the holidays and are provided toys. Many of these children would not normally receive presents or the positive family and community event, if not for Pinal Council CASA/Foster, Inc.

Pinal Council for CASA/ Foster, Inc. (PCCI) recognizes the need for a non-profit, public service organization dedicated to promoting public participation in the support of programs for abused, neglected and abandoned children in the foster care system in Pinal County, Arizona.

PCCI was established in 2004 by Lynda Williams and Carmen Auza, originally as Pinal County Chapter of Arizona Council for CASA, Inc. The State ACCI dissolved in December 2007 and our organization reorganized as Pinal Council for CASA/ Foster, Inc., a 501 (c) (3) serving the foster children of Pinal County, Arizona. PCCI now consists of a board of twenty-seven (27) active members who diligently work tirelessly to improve the status of children's lives within the foster care system. PCCI programs include: Sylvan Learning Center tutoring, Central Arizona College Partnership, Pack with Pride Program, Project Prom and numerous other programs. Please check out there website at www.pccinow.org and see all the great programming offered to Pinal County foster children by Pinal Council CASA/Foster, Inc.

The services provided by the Pinal Council CASA/Foster, Inc clearly reach at risk youth and shall result in reduction in local juvenile crime (drug use, gang activity, vandalism, theft and graffiti). I very much believe in and support their mission.

Respectfully,

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Re: 2013 RICO

Dear Sheriff Paul Babeau

Teen Challenge has worked in Arizona for the past 47 years helping people become free from their drug and alcohol addictions with a documented 86% success rate. Graduates leave our residential recovery centers clean and healthy in body, mind and spirit. Teen Challenge of Arizona's Home of Hope, in Casa Grande, works with women and women with children.

Teen Challenge Home of Hope's primary goal is to help people become free from their drug addictions. Receiving money from the RICO Outreach Fund would support substance abuse prevention and education, and gang prevention efforts for the women and their children in the program.

We appreciate your interest and support in the work we do to help women and their children rebuild their lives. We have a great need in this season at the Home of Hope and the RICO Outreach Funds will greatly help. Thank you for your continued support.

Warmest Regards,

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Honorable Voyles,

I am requesting a check in the amount of $5,000.00 payable to Poston Butte Youth Football, utilizing cost center PCSO State RICO 2469.

Poston Butte Youth Football will participate in the 2013 America Youth Football Association's National Championships in Florida on December 7th.

The Might Mite Division ages range from seven to nine years old. The coaches keep them busy with spring and winter training camps and practices with little time to get into trouble. Many of these boys will go on to represent their High School with a confidence of staying on course and out of mischief.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133.

Thank you for your support.

Dear Sheriff Babeu:

I am writing on behalf of Poston Butte Youth Football to request your help in supporting our Mighty Mite team. We were recently invited to participate in the 2013 American Youth Football Association's National Championships in Florida from December 7th -17th. We are very much honored as we are the only team invited to represent the Mighty Mite Division from San Tan Valley and Arizona. The Mighty Mite Division players age range from 7 years old to 9 years old. At this stage in their lives they are looking for role models and direction. We as coaches teach these boys responsibility, teamwork, and leadership. They are also taught that if they engage in bad behavior, they will be ineligible to play on the team. They must maintain passing grades in school and not get in trouble at school or home to play football. Most of the players participate in training camps in the winter and spring conducted by Head Coach Arthur Williams, which does not allow the kids to have spare time to be out running the streets and getting into trouble. Our goal as coaches is to help these kids develop their skills as players to eventually move on the High School level to someday step on the field for Poston Butte High School.

We will be sending 21 players and 4 coaches to the tournament. Our expenses will be Airfare, hotel, and ground transportation while in Florida. As you can imagine, the cost is substantial to send a group of this size to Florida. Our goal is $40,000.00 which we have already started fundraising for. We appreciate any assistance your organization can offer us. I understand this is short notice and your schedule is busy, but I would like to invite you to our final home game of the regular season this Saturday October 12th at Poston Butte High School. We also practice Monday – Thursday from 6PM to 8PM. Thank you in advance for considering this request and we look forward to having you stop by.

Sincerely,

Dear Lando,

I am requesting check in the amount of $2,500 from PCSO State RICO funds (Cost Center 2469) to the Living Word Chapel. The Living Word Chapel provides a youth outreach for the Oracle Tri-community area, to keep the youth off of drugs and to help them make positive choices. The youth service/event on Saturdays from 6-8 pm provides an alternative to negative activities and gives them the opportunity to get involved and encourage involvement with community projects.

Currently there are 60 active youth involved and each month they are involved in a youth activity or conference. They are currently finishing the student center on campus, Ignite Student Ministries, who recognizes the need for a non-profit youth organization who is dedicated to promoting non-drug and non-criminal activity in the Tri-community area.

The services that Student Pastor James Washburn provides, clearly reach at risk youth in the reduction of local juvenile crime (drug use, gang activity, vandalism, theft and graffiti). I believe in and support their mission.

Honorable Lando M. Voyles
Pinal County Attorney
30 N. Florence Street, Bldg D
Florence, AZ 85232

Dear Lando,

I am requesting a check in the amount of $5,000 from PCSO State RICO funds (Cost Center 2469) to the Arizona Justice Foundation Chaplain Fund. All our Chaplains are unpaid volunteers and this money would be distributed to the members in the form of a stipend, to defray the necessary costs they incur in order to be a properly equipped and pay for ancillary costs they incur in the performance of their duties.

We currently issue uniform polo shirts, yet they need to maintain a dress Sheriff's uniform and other items that are not provided. Additionally, Chaplains use their own private vehicle and are not reimbursed for fuel and associated costs.

Prior requests to utilize PCSO RICO monies for Posse and Chaplains have been approved by your predecessor. All of these expenses are currently out of pocket expenditures from our Chaplains and exceed $500 in related expenses annually. Many Chaplains lack complete or well maintained uniforms and funds to cover their expenses.

The positive impact and value of our Chaplains is truly amazing. They continually give their time, life experience and spiritual support/counseling to our staff and members of the public. They often times ride along with our deputies and respond for death notifications and trauma calls to support victims and their families.

While our Chaplains are willing to freely donate their time, they should not be asked to spend personal funds to purchase their own uniforms, fuel for their personal vehicle for duty related call outs and other related expenses.

Respectfully,

"No barriers for school" Initiative.

The Pappas Kids Schoolhouse Foundation providing educational opportunities to all of Arizona's homeless, underprivileged and at- risk students by providing the necessary tools that will help them succeed in the classroom and at home.

As a supporting Foundation of the Thomas J. Pappas Schools for many years, Pappas Kids provided funding that supported the medical, hygiene, nutritional, clothing, and classroom needs of the schools for over eight years. Our goal was to help students and families break the cycle of poverty. We worked to give the students all the necessary tools to help them become successful in the classroom, despite their socio-economic background.

We are now trying to serve a much larger population of students by reaching out to all homeless, underprivileged and at-risk youth attending schools in Arizona. By giving these students the opportunities they deserve and "eliminating the barriers" that childhood homelessness and poverty may create, we hope to change the course of their lives and they can become fully literate, productive members of our society.
While every effort is made to create an effective classroom learning experience for the children during the school day, students who live in economically challenged environments require more time to catch up culturally and academically with children who do not face the same challenges.

Providing classroom necessities such as backpacks, pens, pencils, calculators and notebooks is only the beginning. Our plan is to provide excelling students with a laptop computer, scientific calculator and help provide funding for their extracurricular activities, which they otherwise could not afford. Many studies have shown that students who participate in afterschool activities such as sports, clubs, student government and theatre are less likely to skip class or drop out of school and more likely to pursue postsecondary education.

On average, high school dropouts barely make enough to adequately support themselves, let alone a family. With the overall poverty rate increasing yearly, Arizona must begin doing what it can to prevent more families from falling under the poverty threshold. Decreasing rates of school dropouts would contribute to the solution of this problem. Statistics show that higher extracurricular activity participation is correlated with a positive social and academic self-worth, taking advanced courses, spending more time on homework, post-secondary educational aspirations, higher GPA, more parental involvement, less absenteeism, better college attendance, and higher occupational aspirations. It has also been discovered that there is a clear link between participation in extracurricular activities and academic and social benefits, such as decreased anti-social behavior and substance abuse.

With all of the positive benefits students will gain from active school and after school participation, we believe it is necessary to provide them with the opportunities they would not have available to them because of family financial circumstances.

Pappas Kids Schoolhouse Foundation is recognized as a 501 © (3) non-profit corporation and does not discriminate on the basis of race, color, national origin, sex, age or handicap in its programs, activities, admission or employment practices.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Re: *RICO Fund Support*

Dear Sheriff Babeu,

I am requesting your assistance with funding for Arizona Rage youth baseball. We are celebrating our tenth year of our club baseball program. Currently we have over 100 kids enrolled in our program. The majority of our players are from Pinal County families.

When our program first began in 2003 we started with only one team. Our program has grown and now we have players between the ages of 9 and 15. We have teams for each age group and some of the age groups in fact have two teams because of the desire to join our program by players and parents.

Our team practices at Prospector Field in Apache Junction. The players practice three nights per week and have tournaments throughout the year.

Our club baseball program helps instill in players confidence, sportsmanship, leadership and of course helps develop their baseball abilities. Keeping the players active in baseball helps keep them away from the pressure of drugs and gangs.

Unfortunately some of the players have had to withdraw from the program because their families are unable to afford the cost of equipment, uniforms and tournament fees.

I am writing to you today to request your consideration to provide $2,000 in RICO funds to our program so we can continue to grow and not lose players. If you provide the funding, we are hoping you could come by one of our practices and take a photo with our players. The Pinal County Sheriff's Office will also be recognized as a sponsor of our AZ Rage club baseball program.

Respectfully,

Sheriff Paul Babeu;

The Usual Suspects Law Enforcement Motorcycle Club-Arizona Chapter is requesting your assistance regarding a contribution of RICO funds to support our mission.

The mission of our organization: to support the families of fallen or injured law enforcement officers.

We are a 501c3 registered non-profit corporation with the Arizona Corporation Commission. We have no employees, consist of current and retired police officers who volunteer our time to help the families. Our branches of law enforcement are comprised of local, county, city, state and federal officers. We have chapters across the country locations including: Maryland, New York, New Jersey, Southern Maryland, Pennsylvania, Indiana, Ohio, North Carolina, New Mexico and Puerto Rico.

During the past 16 months, the Arizona Chapter has aided families in Arizona with check donations totaling more than $28,000.00.

As you know, we hold the Devils Oven Memorial Event each October to honor our fallen and injured officers and their families. Additionally, we take this opportunity to further raise funds in the way of items donated for raffles and merchandise sales. Moreover, contributions such as RICO funds would certainly be beneficial in the continued support of our mission.

I have attached to the following documents to assist in processing any contribution of RICO funds

- W-9
- IRS Determination Document
- Arizona Corporation Document
- Good Standing with the Arizona Corporation Commission

THE DEVIL'S OVEN

Each October we host a weekend event called "The Devil's Oven", in honor of our Arizona summers.

The highlight of the event is the memorial tribute to the Arizona Law Enforcement Officers who fell in the line of duty the previous year, and to honor the sacrifice of their families. Many law enforcement agencies participate in this tribute by providing guest speakers, family escorts, honor guards, and/or pipe and drums.

The weekend's events foster brotherhood and raise funds to support our mission. Typical activities include motorcycle rides, raffles, evening gatherings, a "poker walk", and a special ladies event for the women in attendance.

The proceeds of The Devil's Oven weekend are used to support the families of fallen officers.

Arizona Peace Officers Memorial

THE 1* PATCH

Often confused with the outlaw biker 1% symbol, the 1* actually stands for "**One Ass-to-Risk**". It was designed in 1986 by Officer Gary Johnston with the Shaker Heights, Ohio PD to remind officers to be careful.

Reminiscent of the U.S. Army's Big Red 1 insignia, the 1* logo not only looks sharp but reminds one to be careful, an important element for tactical teams and other professionals who find themselves living on the edge. The 1* insignia was approved field wear for the 82nd Airborne during Desert Shield/Desert Storm, the U.S.S Vicksburg, and has been adopted by many other elements of the US military, as well as hundreds of law enforcement agencies and fire departments around the world.

USUAL SUSPECTS LAW ENFORCEMENT MOTORCYCLE CLUB

A 501c3 non-profit organization dedicated to supporting the Families of Fallen Law Enforcement Officers.

www.usualsuspectsmcaz.org

WHO WE ARE

The Usual Suspects Motorcycle Club, Arizona Chapter, is a 501c3 non-profit, law enforcement motorcycle club. We raise money to support our mission and have no paid staff. Donations are tax-deductible.

We are active and retired Law Enforcement professionals.

We are not a support club. We are an independent Law Enforcement Motorcycle Club (LEMC), but do support other LEMC events. We respect all clubs and only ask for respect in return.

MISSION

Our mission is to support the families of fallen and injured law enforcement officers. We endeavor to accomplish this by providing financial assistance to the families as well as emotional support.

VALUES

1) We maintain our priorities in this order:
    1. Family
    2. Career
    3. Club

2) We endeavor to support the families of law enforcement officers killed or injured in the line of duty to the best of our ability, particularly those in Arizona.

3) We abide by the Usual Suspects motto, "No Man Above Another".

HISTORY

The "Usual Suspects" Law Enforcement Motorcycle Club was established on November 23, 2008 in Prince George's County, Maryland.

At the heart of the philosophy of the "Usual Suspects" lies the belief that every member is of equal value. The original Maryland Chapter has attempted to establish a set of rules and by-laws to create a system of order in which every member's ideas and opinions are important and shall be heard and considered. Other than those basic rules and by-laws which have been established for the efficient operation and common good of the organization of the "Usual Suspects", there will be no "Mother Chapter" or "Founders" in control over the other chapters.

The other core belief of the "Usual Suspects" is friendship. We are brothers-in-arms of that "thin blue line" and we ride as friends, not just members. The goal of the "Usual Suspects" is to become a law enforcement motorcycle club with a membership of friends, no man above the other.

The Arizona Chapter was formed in March, 2012.

3-PIECE PATCH

We wear a 3-piece back patch design because we can. Many other law enforcement MC's also wear 3-piece back patches.

The top rocker is the club name, the bottom signifies the Chapter. The "MC" stands for Motorcycle Club.

CENTER PATCH

Our center patch is a representation of Melvin Horace Purvis, Jr. (1903-1960), an American law enforcement official and Federal Bureau of Investigation (FBI) agent.

He is noted for leading the manhunts that tracked such outlaws as Baby Face Nelson, Pretty Boy Floyd, and John Dillinger.

Melvin carries both a Thompson machine gun and a .45 caliber semi-automatic – both weapons have a rich law enforcement history. Draped over his left arm is a "thin blue line" banner.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Dear Sherriff Babeu:

Thank you for your willingness to sponsor the Stanfield Elementary School PTO Fall Festival that will be taking place on November 15, 2013. The donation of RICO funds that you offered to our PTO will be what makes the difference in the Festival occurring or not taking place at all. This annual tradition has been on hold for the last several years, and the sponsorship from the Department will allow us to provide the community with a family-friendly event that will be enjoyable, crime free, and safe. It will also allow us to continue educating our students in making choices that are positive for their futures, and do not include drugs, gangs, violence, or other criminal activities.

Dear Sheriff Babeu:

Please consider our request for $500.00 of RICO funds to support Friends of the San Tan Mountain Regional Park in bringing Santa 'n Wonderland to be held at the San Tan Mountain Regional Park December 14, 2013.

The Friends of the San Tan Mountain Regional Park work to protect and preserve the Park's archeological, historic and traditional cultural areas. This is an annual event hosted by Friends. It is one of our largest events of the year and we anticipate more than 1,200 to attend. The event is not only fun but educational while providing a safe environment for families.

This event has grown over the years with many families returning annually and is a great opportunity to encourage the youth to volunteer. This year we have several youth groups from local schools that will be volunteering. One of the local schools will be the entertainment for the haunted house exhibit.

We strongly believe by encouraging volunteerism in the youth results in them maturing with an appreciation of their surroundings: for instance – the Park. By providing a supervised and safe environment, Santa 'n Wonderland our other smaller events keep the young adults off the streets. And, if they are volunteering, hopefully they are making the right decisions to also stay off of drugs and out of gangs.

This gift is restricted and designated for Santa 'n Wonderland only. We are a 501(c) 3 corporation.

We want to contribute to helping San Tan Valley youth become responsible citizens. Will you help us with our mission?

Respectfully yours,

Subject: Poston Butte Youth Cheer

Hello Sheriff Paul,

This is Stephanie Maack. I sent you a text but I also wanted to follow up with an email. As I mentioned in my text, what you did for the PBYF Mighty Mites is amazing and your generosity is immeasurable. The PBYF Cheerleaders are going to the AYC (American Youth Cheer) Desert Pacific Regional Cheer Competition in San Diego. The competition is on November 17th. To some of these amazing girls, cheer is what they live for. They look forward to the next season with eagerness and practice in the off season. Arthur Williams and I joined together over the summer and started a camp for football and cheer and these girls are so dedicated, they are out there on Saturdays conditioning and working on fundamentals to get them ready for the next season. This keeps them interested in the sport and keeps their physical fitness up. I have 15 girls on my squads with GPA's of 3.5 or higher. I have always told my families, family and school is first. This has shown in the grades the cheerleaders are making. They will be recognized by the AYF and AYC for their academic performance. Currently, we have been fundraising for over a month and a half to prepare for Regional's. This trip was last minute for us as parents said they could not afford the trip for their child but with fundraising effort, it will be possible for their child to attend. Families have been working extremely hard to raise as much money for travel expenses as possible. We have sold candles, Think Pink items (part of the proceeds are donated back to breast cancer research), PBYF drinking tumblers and we also sell World's Famous Chocolate Bars at Walmart when the schedule is permitted. The league has averaged the travel expenses to be about $400.00 to $600.00 per child. We have 19 girls attending the competition. The costs includes hotel, gas and food for the cheerleader. Some families are coming up a little short. Poston Butte Youth Cheer is the defending 1st place winner in 8 and under at Regional last year in the large category. At the local Conference Cheer Competition that was held at Poston Butte High School on October 27th, the 8 and under and 12 and under teams took 1st place over other teams within the Phoenix AYC league. These cheerleaders are making a name for themselves, our organization and our community. Any assistance would be greatly appreciated and will help these girls go to San Diego. I apologize for the extremely late email. Time is not on my side unfortunately.

I am a daughter of a retired Los Angeles County Sheriff and was a Police Explorer for 4 years. I know the rewards and dangers of a Peace Officer and I thank you for everything you do to make our county and country safe. Your community support has been truly amazing. From your support of Poston Butte Youth Footbal and Cheer to helping my daugther go to Girl Scout camp. I'm so proud to call you my Sheriff!

Sincerely,

Stephanie Maack

Dear Lando,

I am requesting check in the amount of $2,000 from PCSO state RICO funds (Cost Center 2469) to the Calvary Chapel of Coolidge. The Chapel of Coolidge House of Hope has provided emergency food to surrounding areas of Pinal County including Florence, Eloy, Arizona City and Anthem residents.

They have provided food for the past 6 years and due to the recent economy, they are seeing a high traffic of people in need of food assistance. I agree with Pastor Eric Kluth when he stated, "providing food for them would help remove the temptation of turning to crime to solve the problem."

If you have any questions regarding this matter, please feel free to contact me 520-866-5133.

Thank you for your support.

Sheriff Babeu,

I am writing you in hopes that you can help with the House of Hope. The House of Hope is our emergency food bank. It is located in Coolidge, Arizona. The House of Hope has been serving the community of Coolidge and the surrounding areas such as Florence, Eloy, Arizona City, and Anthem residents for the past 6 years. We have food distribution twice a month. People who are in need of food can come down and receive a food box. We also are able to give them bread as well. Due to the recent economy, we are seeing more people come for food assistance. We are currently receiving food from the United Food Bank of Arizona, but again due to the high traffic of people in need of food assistance we are looking for assistance with purchasing more food. We would like the support of the Pinal County Sheriff's office to help these people. If we can help provide food for them, I believe it would help remove the temptation of turning to crime to solve the problem.

We are looking for $2,000 for funding to help us with costs associated with food, purchasing larger items such as freezers, and possibly a van to deliver food to those who are in need within our community. I look forward to building our relationship and I want to thank you for time.

Sincerely,

Pastor Eric Kluth

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at *www.irs.gov/w9*. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Dear Lando,

I am requesting check in the amount of $7,500 from PCSO state RICO funds (Cost Center 2469) to the Florence High School.

Supporting "Graduation Night Lock-in" will give our 155 graduation seniors a fun and safe environment free from drugs and alcohol.

As you know, this can be and has been a potentially dangerous night for high school graduates. In fact, just four years ago there was fatal car wreck that my deputies responded to on graduation night, where one of the students was killed. It was determined that impaired driving was a contributing factor in the fatal wreck. Our goal is to make this a very safe and memorable evening for our graduates.

The activities provided at the Florence High School afford local youth positive recreational opportunities, resulting in reduction in local juvenile crime, drug use and impaired driving, which historically accompanies High School graduation night.

If you have any questions regarding this matter, please feel free to contact me 520-866-5133.

Thank you for your support.

Re: Request for Donations for Graduation Night Lock-In

Dear Sheriff Paul Babeu,

We are writing this letter to request assistance for our fourth annual Florence High School Graduation Night Lock-In event to be held on the evening of May 29, 2014. The goal of this event will be to give students a fun and safe place to enjoy their graduation night free from drugs and alcohol. A donation of $7,500 would help cover our expenses and allow us to put on the event as we envision it. Your support last year helped make it the 2013 Graduation Night Lock In the most successful we've had in three years, and we look to build upon that success and make 2014 event better!

Across the country, thousands of students are killed or injured on their graduation night due to alcohol or drug related incidents. Our goal at Florence High School is to eliminate this risk to our students. Of our graduating class of 155 students, our goal is to have 115 students volunteer to stay on campus overnight. The school would provide entertainment and food for those who choose to stay until 6am the next morning. All activities would be supervised by teachers, administrators, parent volunteers, and various law enforcement officers. Students present will have a safe environment, free from the risks of drugs, alcohol, and traffic related injuries or fatalities. With the support of the County Attorney's Office, we have always well-exceeded having over 75% of our graduating class attend this event and we have not had a drug or alcohol related incident with one of our graduates since this program was instated.

All donated money will specifically be used to cover the cost of the event listed above, as this is a not for profit event. If you have any questions, you contact me at 520-866-3500 x 7149, or directly via email at smiller@fusdaz.org. Thank you for your time and consideration.

Sincerely,

Thad Gates

   - In the event of an overage, additional money will be donated to the class of 2015 for use during this event the following year. Historically, less than 3% of the budget has been transferred to the next year's event.
6. Program Staff
   - Staff will be made up of approximately 5 certified teachers, at least 3 volunteer members of the Sheriff's Department, and as many parent volunteers as possible. All staff members will be certified teachers, law enforcement, or adults with a direct tie to the school community.

Dear Lando,

I am requesting a check in the amount of $45,000 from PCAO and PCSO RICO funds for the Arizona Justice Foundation PSA's/Community Education fund. The funding breakdown; $25,000 from the Pinal County Attorney's Office, $14,000 from PCSO State RICO funds (Cost Center 2469) and $6,000 from PCSO State Task Force RICO Funds (Cost Center 2468).

The County Attorney's Office and our Sheriff's Office have developing several Public Service Announcements (PSA's) for local cable TV and Movie Theatre's. These announcements have proven effective educational tool, by creating awareness and further understanding about top safety issues and concerns.

These PSA's are focused on Domestic Violence, Impaired Driving and Bullying. Our effort is to inform the public about the obvious public safety concerns by compelling statistics and show the impact of criminal activity upon victims and the general public. Clearly, our offices wish to provide a welcoming environment for victims to come forward and report crimes against them and to offer them help as we seek justice on their behalf.

Thank you for your partnership to improve public safety for our Pinal families.

Respectfully,

Dear Lando,

I am requesting a check in the amount of $4,000.00 payable to Community Outreach of Robson Ranch, utilizing PCSO State TF RICO funds (cost center 2468).

Community Outreach of Robson Ranch is committed to enriching the lives of children in the Eloy and surrounding areas, with education and safety.

CORR will hold their annual Winter Fundraiser which will assist families with school children that are below poverty level free or reduced lunch eligible students. According to the 2011 US Census Bureau, students from families that live below poverty level are not prepared for primary schooling, have a higher number of absenteeism or leave school all together and, by the end of the 4th grad, low-income students are already two years behind grad level in reading and math and by the time they reach 12th grade they are usually 4 years behind.

The CDC has listed three reasons children fail in school and life is low self esteem or not having the confidence to succeed. Also, students with limited educational skills turn to gangs, drugs and criminal behavior as a chosen lifestyle. CORR's goals are to stop the trend of destructive behavior with the essential tools to succeed.

Thank you for your support. If you have any questions regarding this matter, please feel free to contact me 520-866-5133

Sincerely,

Paul R Babeu

Dear Sheriff Paul Babeu,

Community Outreach of Robson Ranch is a nonprofit organization of passionate volunteers that are committed to providing the needs of students in the Eloy area with the tools needed to succeed in school, community and life. We are asking you to join us in this effort by sponsoring our Winter Fundraiser.

Robson Ranch in Eloy has allowed CORR the first event for the newly completed ballroom. This fundraising event will be a concert by Domingo DeGrazia and his band on Sunday, December 14, 2014 at 6:00 PM in the Ballroom at Robson ranch. Tickets are $40.00.

As you know, Eloy is a destitute community and the school's students suffer from the low social economic impact that plaque the community. The majority of Eloy's school students live in families with incomes below poverty level and all schools in the area have a 90 percent or higher free or deduce lunch eligible population.

According to the 2011 US Census Bureau, students from families that live below poverty level are not prepared for primary schooling, have a higher number of absenteeism or leave school all together and, by the end of 4th grade, low-income students are already two years behind grade level in reading and math and by the time they reach 12th grade they are usually 4 years behind.

The CDC has listed the number three reason for student failure in school and life is low self esteem or not having the confidence to succeed. It has also been proven that children/families with limited educational skills turn to gangs, drugs and criminal behavior as a chosen lifestyle. CORR goal is to stop the trend of destructive behavior by giving the students of Eloy the essential tools to feel good about themselves and about their ability to succeed.

We are asking for your assistance in accomplishing our goals and giving the children of Eloy the chance to succeed and break all the barriers that prevent them from becoming successful. We thank you in advance for your consideration. Please feel Free to contact me for further questions or information at BETTY@communityoutreachrobsonranch.or or call me [redacted]

Sincerely,

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
