Dear Paul,

We at American Legion Post 133 of Maricopa would like to express our sincere thanks for your support with a RICO fund grant of \$5,000.00 to our Post.

The funds will be used to support the Legion's many worthwhile youth activities such as American Legion Baseball, Boys State, ALLECA program and other youth character building activities.

Your financial support for our youth activities lets us free up funds that are sorely needed to help local veterans and their families that are in critical need of our assistance.

Again we salute you for your constant financial support and caring attitude towards the American Legion and the youth of Maricopa.

Thank you very much,
