

# Developing a world-class copper mine in Arizona

Presentation to Pinal County Board of Supervisors

April 9, 2014

# The business case

# Looking to the future

---

## Our vision

- Resolution Copper Mining's vision is to be a world class miner – creating opportunity locally, for the region and for the state of Arizona.

## Your voice can help

- Speak for the future of local families and businesses.
- Tell your family, friends and especially your elected leaders that you support the Resolution Copper Project.
- Make your pledge at <http://resolutioncopper.com/show-your-support/>
