**\* D. 2015-2016 Public Service agreement with Access Arizona.**

Supervisor Smith commented that the agreement with Access Arizona states that the county is to pay the recipient \$75,000, \$25,000 of which is tied to incentives in the 2015-2016 budget allocation. The agreement further indicated that the recipient received \$25,000 in the form of quarterly invoices. He felt the \$25,000 should be tied to something actionable as it would relate to an incentive. Supervisor Smith requested that Supervisor Miller, as the Board's representative to Access Arizona, work on an amendment or mutual understanding to define something more beneficial to Pinal County that would reflect the \$25,000 worth of additional incentives.

Supervisor Miller stated that he would be glad to accommodate Supervisor Smith's request.

Greg Stanley stated that he intended the agreement to read “quarterly reports” not “quarterly invoices.” He went on to say that the Agreement includes a list of things to be included in the quarterly reports. Those items would be the deliverables that we would want Access Arizona to provide to us.

Motion was made by Supervisor Smith and seconded by Supervisor House to approve the agreement with Access Arizona with a recommendation that Supervisor Miller work with Access Arizona for a possible future amendment or mutual agreement to define what the \$25,000 incentive will represent as far as a more challenging action than quarterly reports. Motion carried by unanimous vote.

**FY 15/16 budget amendment to move budget from non personal services to personal services within cost center 2401042 in the Sheriff/Immigration Fund (Fund 290). There is no impact to the General Fund.**

Sheriff Paul Babeu appeared before the Board regarding the Crime Analyst position. He stated that the Sheriff's Office absolutely needs this position. He said no General Fund monies would be used to fund this position. He also took the opportunity to thank Senator Steve Smith for going to bat for Pinal County law enforcement.

Supervisor Smith stated that he sees the need for this position and fully supports the Sheriff's request.

Supervisor Miller stated that he did not doubt that the requested position is needed, however, he does not support the Sheriff's request because he wanted to tie it to the staffing study. He wants to see the staffing study completed so that that we would have a broad knowledge of where we are with the Sheriff's operation.

Supervisor House felt this was a tool that could be used as an economic development tool. If we can show that crime is decreasing in Pinal County, we could attract more businesses.

Supervisor Rios asked why we are here, if in fact, as the Sheriff mentioned previously that the monies that would be used to fund this position are strictly at the Sheriff's discretion per Arizona State Statute.

Greg Stanley, County Manager, explained that this item was put on the Board's agenda because it is a request to create a position, not funging.

Supervisor Rios concurred with Supervisor Miller by saying, if we haven't completed the staffing study and are creating a new position, how do we know that the position doesn't already exist?

There was discussion amongst the Board Members and the Sheriff regarding the staffing study.

Roberto Reveles, appeared before the Board and asked for a clarification of personal items vs. personnel items.
