This is significant to expediting a very important regional transportation item that is called the Great Separation Project. Supervisor Smith thanked the Congressional Delegation especially Congresswoman Kirkpatrick for her long diligent work in making this a reality.

Supervisor Rios also wanted to thank Congresswoman Kirkpatrick for the \$15 million Tiger Grant. These grants are very rare and far apart and the improvements to State Route 347 are vitally needed.

Supervisor Rios stated that as we get into the political season, staff needs to be careful about making public political statements.

Recognition of Public Works Employee, Ray Garcia, for his assistance and participation in an emergency rescue.

Greg Stanley, County Manager said that we are working on the Regional Transportation Authority. He, Louis Andersen and the CAG staff have been doing meetings with cities and towns. They will also do formal presentations at either work session or their regular council meetings. Secondly, he felt the CSA Legislative Summit was very good and Craig Sullivan was appreciative of how it came out. On the 4th of November we will have a Resolution adopting the priorities that were adopted by the full CSA. Also, we did get a letter that the relocation of the Cowtown monitor was approved by the EPA.

Supervisor Rios requested that the County Manager hold a work session on the SunZia transmission lines. Supervisor Smith supported Supervisor Rios' request for a work session. - B. SUP-009-15: Rube and Carolyn Woolsey landowners, Sun State Towers, applicant, Pinnacle Consulting, Inc, agent, requesting approval of a Special Use Permit to construct and operate a 120' wireless communication facility on a 50' x 50' lease area of a 7.0± acre parcel in the General Rural (GR) zone; situated in a portion of the NE¼ of Section 35, T05S, R06E G&SRB&M, tax parcels 515-35-023 (legal on file) (located off of Henness Rd, east of I-10 in the Casa Grande area.) Planning Commission voted 5-4 to recommend denial of SUP-009-15.**

Chairwoman Chase announced that the above listed cases would be heard without additional input from the applicant or public unless prior to the time the case was publically heard, the applicant, a staff member or a member of the public requested that a case be considered separately. She advised that in the event that no such request for a hearing was made, the Board would vote to approve the recommendation of the Commission.

Chairwoman Chase asked if there were any requests from the public, staff or the Board to have a zoning case pulled from the consent agenda for a public hearing.

Supervisor Smith pulled item A to request a continuance.

Supervisor House pulled item B for discussion.

SUP-003-15: Sidewinder Dairy, Inc., landowner/applicant, Rose Law Group, agent

Motion was made by Supervisor Smith to continue SUP-003-15 to November 18, 2015.

Comment on the motion: Supervisor Rios asked for clarification on SUP-003-15 when this item comes before the Board again on November 18, 2015. Supervisor Rios asked

for clarification on acreage because in the Planning and Zoning minutes it says 50 acres when it is really 5 acres; Supervisor Rios also asked for clarification on whether or not this is a non-major or a major amendment to the Comprehensive Plan.

With the clarification as requested by Supervisor Rios for the November 18th Public Hearing, he seconded the motion. Motion carried by unanimous vote.

SUP-009-15: Rube and Carolyn Woolsey landowners, Sun State Towers, applicant, Pinnacle Consulting, Inc., agent

Ashlee MacDonald, Planning and Development, stated that this Special Use Permit was to construct and operate a 120' wireless communication facility on a 50' x 50' lease area of a 7.0± acre parcel in the General Rural (GR) zone. The Planning and Zoning Commission recommended denial of the Special Use Permit stating the some of the same concerns that staff had. An area of concern is that the applicant isn't proposing stealth design because of the height of the tower. Ms. McDonald stated that should the Board approve the SUP, staff would include 10 recommended stipulations. Ms. MacDonald's presentation can be viewed in the minutes section of the Board of Supervisor's website.

Chad Ward, Pinnacle Consulting, presented a PowerPoint. Mr. Ward's presentation can be viewed on the Board of Supervisor's website.

Nikhil Jadhav, Verizon Wireless, appeared before the Board. Mr. Jadhav's presentation can be viewed on the Board of Supervisor's website.

Supervisor Smith said that it appeared the reasons for recommending denial were more esthetic rather than technical. There weren't complaints registered from any of the neighbors. It would seem that the technical reasons for approving this SUP would far outweigh the esthetic reasons. He was very interested in that fact that this would improve 911 performance. He was supportive of this SUP and since the applicant stated that all 10 stipulations were acceptable, he would make a motion to approve.

Supervisor Miller agreed with Supervisor Smith and was supporting the SUP. He said he sees this as infrastructure and it is critical to economic development.

Supervisor House was concerned about the height of the tower and asked if research had been done indicating there would not be a problem with the monsoon winds that blow through the area.

Chad Ward stated that all the sites were designed with current international building codes. He believed these towers were designed to withstand 100+ MPH wind gusts.

The public hearing was opened. There was no one who wished to address the Board.

The public hearing was closed.

Motion was made by Supervisor Smith and seconded by Supervisor Miller to approve SUP-009-15 accepting the ten (10) stipulations as listed in the staff report dated October 28, 2015:

1. The permit is issued to Sun State Towers, not to the land;
2. the permit is issued for twenty (20) years from date of the Board of Supervisors approval;
3. the layout, design and set up of the 120 foot wireless communication facility shall be as shown and set forth on the applicant's submittal documents and site plan as a monopole and shall be an unmanned telecommunication facility;
4. submit a R.F. Engineer's certification that radiation meets FCC requirements;
5. all proposed outdoor lighting must conform to the applicable requirements of the Pinal County Development Services Code;
6. the applicant shall keep the lease area free of trash, litter and debris;
7. the applicant shall design the tower to accommodate at least three additional commercial wireless carriers and shall process all requests for co-locations in a timely manner to promote multiple users on the tower in an attempt to avoid a proliferation of towers in the area;
8. at such time as technology becomes available and the wireless communication facility is no longer needed, it shall be removed from the subject property;
9. all Federal (FCC), State, County and Local rules and regulations shall be adhered to and all applicable and required submittals, plans, approvals and permits be obtained, including but not limited to planning clearance, building permits, fencing and security lighting; and
10. violation of these conditions at any time may invoke revocation proceedings by the Pinal County Planning & Development Services Department.

Motion carried by unanimous vote.

Public Hearing and discussion/approval/disapproval on the following requested major amendments to the 2009 Pinal County Comprehensive Plan. Although this is one public hearing covering all the following requests, the Supervisors may ask the public to speak on each major amendment request separately and may discuss and vote on each request separately.

- A. PZ-PA-001-15: A request by the Community Development Department for a major amendment of the Pinal County Comprehensive Plan to amend the text of Chapter 8: Healthy Happy Residents; to add a subsection titled Healthy Places that will include new Goals, Objectives and Policies that will address the availability of healthy food, and community supported agriculture. The Planning Commission voted 5-4 to recommend denial of PZ-PA-001-15 with no stipulations.**

- B. PZ-PA-002-15: A request by the Community Development Department for a major amendment of the Pinal County Comprehensive Plan to amend the text Chapter 3: Sense of Community to add Green Energy Production as a new land use designation under "Additional Land Use Designations"; and amend the text of Chapter 10: Implementation to allow requests to the "Green Energy Production" designation as non-major amendments up to 640 acres. The Planning Commission voted unanimously (9-0) to recommend approval of PZ-PA-002-15 with no stipulations.**

- C. PZ-PA-004-15: A request by San Tan 320, LLC. to amend the 2009 Pinal County Comprehensive Plan by changing the land use designation from Very Low Density Residential (0-1 du/ac) to Low Density Residential (0-2 u/ac) on approximately 320.73± acres, situated in a portion of Sections**

15 and 22, T03S, R07E located adjacent to the south side of Phillips Road approximately .5 miles west of Thompson Road. The Planning Commission voted unanimously (9-0) to recommend approval of PZ-PA-004-15 with no stipulations.

Mark Langlitz, Deputy County Attorney, appeared before the Board and gave a procedural explanation on how the major amendments to the Comprehensive Plan would be addressed. By State Statute all major comprehensive plan amendments have to be presented to the Board at a single public hearing. The recommendation was that the Chairwoman would open the public hearing and take comments from the public on all three amendments. Then close the public hearing and then the Board would vote on each amendment individually.

Chairwoman Chase opened the public hearing.

PZ-PA-001-15 - Ashlee MacDonald, Community Development, explained that this was a staff initiated amendment that applies countywide. Staff is recommending adding a subsection to Chapter 8 entitled Healthy Places. Ms. MacDonald's presentation can be viewed in the minutes section of the Board of Supervisor's website.

Supervisor Smith asked Ms. MacDonald to explain the Commission's opposition to the amendment. Ms. MacDonald explained that the Commission didn't think there was a big enough need or value to add the language and additional regulation.

Supervisor Miller asked if someone was to do a garden in a large area, would that be a violation? Ms. MacDonald explained that if it was in a residential community in their open space, it would not be prohibited. The way she looks at the comprehensive plan is that it tell us what is important to us. If someone came in with a project that has a Master Planned Community that shows a community garden, they would look at our comprehensive plan and see that's a value to us.

Supervisor Smith felt that this was out of step with the growing trends. He stated he was familiar with a development near Chicago that is centered around Community Gardens. He said he was surprised by the denial by the Planning and Zoning Commission and that he would be supporting the item.

Chairwoman Chase asked for public comment. There was no one who wished to address the Board.

PZ-PA-002-15 – Steve Abraham, Community Development, appeared before the Board explaining that this was a staff initiated item. This amendment would add a new green energy designation as a land use type. The second part of this amendment is to allow

requests to the new designation be processed as minor amendments on parcels up to 640 acres. Mr. Abraham's presentation can be viewed in the minutes section of the Board of Supervisor's website.

Supervisor Smith asked if there was any science associated with the size of the 640 acres. Mr. Abraham stated that the 640 acres, one square mile, is larger than what we have seen. It is the upper end of the size of those types of facilities. Supervisor Smith asked if the size affected the number of staff needed? He asked if there was a break point. Mr. Abraham stated that once they reach a certain megawatt level, it is automated. Supervisor Smith said it seems that the 640 acres is an arbitrary number.

Supervisor Rios asked if this was approved, would the photovoltaic panels be limited to certain areas. Mr. Abraham stated that if this amendment was approved, photovoltaic panels would be allowed in employment, public services and facilities and green energy designations.

Supervisor House was concerned about the acreage.

Chairwoman Chase asked for public comment. There was no one who wished to address the Board.

PZ-PA-004-15 - Evan Balmer, Community Development, advised that this was citizen initiated comp plan amendment. The proposal is for a change in the comprehensive plan designation from very low density residential, which allows up to one dwelling unit per acre to low density residential, allowing up to two dwelling units per acre. This is on approximately 320 acres on the south side of Phillips about a half mile west on Thompson Road. Mr. Balmer's presentation can be viewed in the minutes section of the Board of Supervisor's website.

Chairwoman Chase asked for public comment.

Jason Barney, Circle G Companies Applicant, appeared before the Board. Mr. Barney's presentation can be viewed in the minutes section of the Board of Supervisor's website.

Stan Tomkiewicz of Queen Creek, Gordon Brown of San Tan Valley and Cyndi Ruehl with the Superstition Area Land Trust appeared in favor of PZ-PA-004-15.

Chairwoman Chase closed the public hearing.

Motion was made by Supervisor Rios and seconded by Supervisor Smith to approve PZ-PA-001-15. Motion carried by unanimous vote.

Motion was made by Supervisor Rios to approve PZ-PA-002-15 as presented.

Motion was amended by Supervisor Smith and seconded by Supervisor Miller to change it to land use designation only without respect to the acreage. Motion carried by unanimous vote.

Supervisor Smith explained his amendment by stating that the land use designation only, without respect to the acreage, would allow it to be employment, public services and green energy.

Supervisor Rios moved the motion as amended and seconded by Supervisor Miller. Motion as amended carried by unanimous vote.

Motion was made by Supervisor Rios and seconded by Supervisor House to approve PZ-PA-004-15 as presented. Motion carried by unanimous vote.

The following item was removed from the agenda as the applicant formally withdrew their petition.

Public Hearing and discussion/approval/disapproval of the petition to organize the Red Rock Irrigation and Drainage District per A.R.S. 48-2907 and for additional action on the petition as per A.R.S. 48-2905(B) (continued from October 7, 2015).

Public Hearing and discussion/approval/disapproval of Resolution No. 102815-AQ1, a resolution pursuant to Title 49 of the Arizona Revised Statutes, adopting proposed changes to local air quality rules. The changes pertain to the West Pinal PM10 Moderate Nonattainment Area and involve establishing "reasonable available control measures" or "RACM" for PM10 generated from construction activity. If approved, the proposed changes will be submitted to the Environmental Protection Agency through the Arizona Department of Environmental Quality as elements of the Arizona State Implementation Plan. Required notices have been published, posted and e-mailed, and the full text of the proposed changes was published in the Arizona Administrative Register on August 28, 2015. The Board may choose to adopt the resolution, approving all, part or none of the proposed changes.
